*Proceedings of the Madras Government, Revenue Department,  
20th April 1864.*

No. 330. Read the following Proceedings of the Board of Revenue, dated 13th April 1864.  
Read the following letter from J. H. BLAIR, Esq., Collector of Sea Customs, to W. HUDLE-  
STON, Esq., Secretary to the Board of Revenue, dated Madras, 11th April 1864,  
No. 398:—

SIR,

1. With reference to the correspondence marginally noted, I have the honor to request the  
Board will be pleased to recommend to Govern-  
ment, that an additional line of rails, &c., be  
laid down between the Pier and the Custom  
House, as the present single line is wholly insufficient for the traffic.

2. It is quite impossible with the single line to employ more than five or six trucks on the  
Pier at once, and consequently only a small number of boat loads can be discharged daily, com-  
pared with what might be, if the proposed new line of rail be made.

3. The premises were inspected by the Assistant Engineer with the Master Attendant  
(who has now charge of the Pier) and myself, and we were all agreed in the necessity of the  
double line, and also that it should be made as soon as possible.

Submitted for the sanction of Government.

No. 331. ORDER THEREON, 20th April 1864, No. 679.

Referred to the Department Public Works in view to early measures being adopted for  
laying down the additional line of rails, &c., alluded to, between the Pier and the Custom House.

(True Extract.)

Secretary to Government.
