*Proceedings of the Madras Government, Revenue Department,
20th April 1864.*

No. 332. Read the following Proceedings of the Board of Revenue, dated 18th April 1864.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Alapaud, 7th April 1864, No. 43 :—

Sir,

1. With reference to my letter of the 12th ultimo, No. 27, I have the honor to bring to the notice of the Board that the village of Budampaud, in the vicinity of Guntoor, is now suffering much from scarcity of water. To alleviate the calamity the inhabitants have subscribed Rupees 1,060 for deepening the bed and strengthening the bund of their village tank, which has long been out of repair.

2. There is but one well in the village, and the water in it is very brackish, so that the inhabitants have to bring water from Guntoor, a distance of two miles, for drinking and other domestic purposes; lately when a fire broke out in the village, the people were quite unable to extinguish it for want of water, and all but three houses in the place were consumed.

3. The villagers pray that a sum equal to their subscription, viz., 1,060, may be granted by Government.

4. I have consulted the Superintending Engineer regarding the utility of the work, and beg to enclose a copy of his letter.

5. As explained in my letter of 12th ultimo, the Local Funds for the current year have already been exhausted, and I therefore trust the Board will accord their sanction to the project and will obtain permission from Government for the disbursement of Rupees 1,060 from the one per cent. Income Tax Funds for the current year.

1. Submitted for the favorable consideration of Government.

2. The Board trust that means may be available for making a grant-in-aid as requested.

No. 333. ORDER THEREON, 20th April 1864, No. 630.

Transferred to the Public Department in view to the grant being made, if funds are available, out of the Reserve F, IX Miscellaneous.
