*Proceedings of the Madras Government, Revenue Department,
20th April 1864.*

No. 333. Read the following letter from R. A. DALYELL, Esq., Sub-Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 14th April 1864 :—

SIR,

1. I am directed by the Board of Revenue to submit the accompanying copies of the replies of some of the Collectors to a Miscellaneous Circular from the Board, calling upon Collectors to report what articles of furniture were required for the use of the Travellers' Bungalows, which under recent orders they proposed to retain in their respective Districts.

2. It will be observed that the greater number of the Officers who have replied to the Board's requisition state that the Bungalows of their Districts are well supplied, while others report that the furniture, &c., belonging to the Bungalows proposed to be dismantled, will more than supply any deficiencies in those which are retained.

3. The applications for furniture or crockery are few, and the Board would not have deemed it necessary now to address Government, were it not that, from the 1st proximo, the Bungalows are to be placed on a new footing, their charges and receipts being brought under the head of Local Funds, and the Bungalows being placed more immediately under the Board's control than they have hitherto been. The grant of the Government of India to meet the charges for Bungalows is liberal, and the Board are very desirous to make the Bungalows as far as possible self-supporting. It is in every way desirable, therefore, that those which are retained should, on the introduction of the new system, be completely supplied with all necessary articles of furniture or crockery, so that the absolute working charges only, may appear against the receipts.

4. The Government in a recent Order have approved of the Board's proposal that the Bungalows should be generally supplied with iron cots in lieu of the wooden ones now provided, and in the general scheme which is now under the Board's consideration, and which will shortly be submitted for the sanction of Government, it is proposed to place a certain number of the Bungalows in each District, those which are situated at the most convenient halting places in a really efficient condition as regards equipment and establishment; and as in addition to the iron cots alluded to, it is proposed to place two iron easy chairs in each Bungalow as well as other articles, the Board direct me to request that Government will be pleased to sanction the sum of Rupees 5,000 being placed at the Board's disposal for the purchase of these articles. It is probable that there will be at least eighty first class Bungalows throughout the Presidency, and that the amount for which application is now made will not more than cover the necessary expenditure to be incurred in converting them into really comfortable houses for the use of travellers.

5. The Budget grant for the current official year, for charges in connection with "Travellers' Bungalows," amounts to Rupees 39,471. Of this amount a sum of Rupees 27,235 had been expended up to the end of February last, and it is estimated that a further sum of Rupees 5,447 will be required to meet all the charges of the year. It will thus be observed that there is an ample margin from which the charge for which I am now directed to request sanction may be met.

No. 337. ORDER THEREON, 20th April 1864, No. 682.

The Government sanction the proposed outlay Rupees (5,000) five thousand.

MISCELLANEOUS CIRCULAR, No. I.

Board No. 197.

From R. A. DALYELL, Esq., Sub-Secretary to the Board of Revenue,
To ALL COLLECTORS.

SIR,

With advertence to the Miscellaneous Circular Order No. XCVI of 1863, I am directed by the Board of Revenue to request that you will report what Furniture, Crockery, &c., is required for the Travellers' Bungalows which you propose to retain in your District. The Board expect to receive your reply by the 20th proximo.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) R. A. DALYELL,
Sub-Secretary.

REVENUE BOARD OFFICE,
Madras,
13th January 1864.

(Signed) H. M. C. KELLY,
Acting First Assistant.

Exd. J. Wright.

From the Acting Collector of South Canara, dated Mangalore, 19th January 1864, No. 14.

1. With reference to the Board's Miscellaneous Circular No. I, Board No. 197, dated 13th January 1861, I have the honor to state that Kap is the only furnished Bungalow in this District which I proposed to do away with in my letter dated 18th November 1863, and that I think that the Crockery in this Bungalow might with advantage be sent to Kundapur, as Officers of various Departments stay in it off and on for some little time during the year, and it would be in a position to more than pay its expenses by the extra fees which would be collected thereby.

2. All the rest of the Bungalows, which I propose should be handed over to the private Bungalow Fund, are only supplied with a few tables and chairs, and I trust that I shall not be thought too exorbitant in my demands, when I beg that this little furniture may go along with the Bungalows.

MISCELLANEOUS CIRCULAR, No. I.

Received

Board No. 197.

Requesting to know what Furniture,
Crockery, &c., is required for the Travellers'
Bungalows it is proposed to retain.

From the Acting Collector of the Godavery District, dated Amalapur, 21st January 1864, No. 8.

In reply to the Board's Miscellaneous Circular No. I, dated 13th instant, I have the honor to state that all the Travellers' Bungalows in this District which are to be retained,* have already been provided with furniture and Crockery.

* Vide my letters to the Board dated 14th November, No. 384, and 22nd December 1863, No. 413.

From the Collector of Vizagapatam, dated Singapore of Jeypore, 30th January 1864, No. 53.

Adverting to Miscellaneous Circular, No. I of 13th instant, I beg to state that no additional furniture or Crockery is required for the Travellers' Bungalows in this District.

Exd, J. Wright.

From the Collector of Salem, dated Tripatur, 9th February 1864, No. 22.

In reply to the Board's Miscellaneous Circular, No. I, dated 13th January 1864, I beg to state that no extra furniture except the six Iron cots already sanctioned will be required for the Bungalows which I propose to retain in this District. The furniture (with the above exception), crockery, &c., now in the Bungalows which I propose to sell will be amply sufficient for those retained.

From the Collector of Trichinopoly, dated 9th February 1864, No. 33.

With reference to the Board's Miscellaneous Circular, No. I of the 13th ultimo, I have the honor to state that no further furniture, crockery, &c., is required for the Travellers' Bungalows proposed to be retained in my predecessor's communication of the 24th November last, No. 222.

Exd. J. Wright.

From the Acting Collector of Madras, dated Saidapet, 13th February 1864, No. 76.

1. In reply to the Board's Miscellaneous Circular, No. I of the 13th ultimo, I have the honor to report that the present furniture and crockery are sufficient for the Bungalows on the Southern Trunk road; they were adequately supplied in 1858.

2. The Bungalow at Gummadiundi on the Northern Trunk road being much frequented, in fact more than some of the furnished Bungalows on the southern road, it is desirable that the articles and the furniture mentioned in the enclosed list should be supplied to it. The authorized fees would then be collected.

3. The same course might be adopted with regard to the Bungalow at the Red Hills, which is also much frequented. But it appears from a report received from the Tahsildar that this Bungalow was built by a private individual named Haji Murtuza Sahib, who also purchased some furniture and requisites for it about two years ago, and appears to have promised to supply what is wanting. He would probably object to the Government interfering and collecting fees in his Bungalow.

4. The Bungalow at Poonamallee was furnished in 1859, but no extra servants were sanctioned for this as for those on the Southern Trunk road. Though separate rates were sanctioned for such Bungalows in the Government Order of the 2nd March 1860 (Board's Circular, No. 1,219 of the 9th March 1860), I understand that no fees have ever been collected at Poonamallee. The distinction between furnished Bungalows with extra servants and those without extra servants having been removed by the recent reduction in the Bungalow Establishment, I beg that I may be authorized to introduce and collect at Poonamallee the rates sanctioned for the Bungalows on the southern road.

* Vide Board's Proceedings, No. 4,288, dated 14th July 1863.
5. The Sadras Bungalow* is but little frequented, and the Tripassur Bungalow will not be used as a halting place when the Railway is open to Cuddapah; so that it is not, I am of opinion, worth while supplying any articles of furniture, &c., to these two buildings.

6. For the reasons assigned in the penultimate paragraph of my letter, No. 46 of the 29th ultimo, it is desirable to have a Cook in place of the Sepoys at the Bungalows which are and which may hereafter be furnished.

1. With reference to your Miscellaneous Circular, No. I, Board No. 197, and Official Memorandum No. 119 of the 4th instant, I have the honor to report that the only Furniture required for the five Bungalows in this District are five cots with beds and pillows—as at present one only is supplied to each Bungalow.

2. I would suggest that the mattresses and pillows be covered with thin matting, as the chintz hitherto used is very flimsy, and stands no wear and tear.

3. No fresh crockery is required.

From the Collector of Tanjore, dated Tranquebar, 25th February 1864, No. 49.

With reference to your letter No. 197 of the 13th ultimo, I have the honor to state that as I have recommended (in my letter of the 12th instant No. 34) the abolition of four Travellers' Bungalows in this District, the furniture, &c., belonging to these will be available for the Bungalows proposed to be retained, and consequently no more furniture, &c., will be required.

From the Collector of South Arcot, dated Trikalore, 2nd March 1864, No. 35.

1. In acknowledgment of your Circular, No. I, Board No. 197, of the 13th January last, I have the honor to state that no Furniture or Crockery, &c., are required for any of the Travellers' Bungalows which it is proposed to retain in this District.

2. The line of road on which Bungalows in this District will be hereafter used to any extent is the coast line between Tindevanum and the Tanjore Frontier; and I consider that the intermediate Bungalows on this route are sufficiently provided with all necessary articles. Another inland line between Cuddalore and Salem is so little used that I do not consider it requisite to furnish the Bungalows with any of the articles contemplated by the Board.

For orders

It is very desirable to
put the Bungalows into good
order - but I doubt whether
Iron chairs would answer
as they are not easily re-
paired when broken. Iron
Chairs are different, as they
are not moved about & therefore
not so liable to be broken.
