*Proceedings of the Madras Government, Revenue Department,
21st April 1864.*

No. 348. Read the following Proceedings of the Board of Revenue, dated 11th April 1864,
No. 2,166.

Read the following letter from the Collector of Tinnevely, dated 24th March 1864, No. 111:—

1. As directed in paragraph 2 of the Order of Government of 12th August 1863, No. 1,485, forwarded to me by the Board on the 14th idem, I have the honor to report on the practical working of the present arrangement, in regard to the Deputy Collectors stationed in the Coast Talooks at Tuticorin and Trichendoor, respectively.

2. I have found the present arrangement perfectly satisfactory, and I recommend that it be confirmed. Mr. Underwood, Deputy Collector, is stationed at Tuticorin, with the Revenue and Magisterial charge of the Ottapedaram Talook in which Tuticorin is situated, and he has charge of the four Northern Salt stations all within his Talook, and within easy reach from Tuticorin, and of the Sea Customs.

3. C. Ramiah, Deputy Collector, is stationed at Trichendoor in the Tenkarrai Talook, with the Revenue and Magisterial charge of that Talook, and with the charge of the three Southern Salt stations all within his Talook, and within easy reach from his head quarters Trichendoor.

4. I have found this Division of the Salt charge sanctioned by Government in their Order of 8th July 1863, No. 1,234, to work well, as it brings all the Salt stations within easy reach of the respective Officers in charge of them, and I consider it besides, of great importance to have a trustworthy Officer at two different stations on the coast, and after a six months' trial, I consider the present arrangement the best that can be adopted.

5. I take this opportunity of bringing to the favorable notice of Government, through the Board, the good services rendered by my two Deputies, Mr. Underwood and C. Ramiah above referred to, with my respectful request that Government will be pleased, should my recommendation meet with their approval, to give a step in advance to these two gentlemen, by promoting Mr. Underwood to be a Deputy Collector of the 1st Class, and C. Ramiah to be a Deputy Collector of the 3d Class.

6. Mr. Underwood has now served in this District for nearly three years, and has carried on his duties much to my satisfaction, showing good sense and judgment in his discharge of them, at Tuticorin. C. Ramiah has served under me for nearly two years. He was recommended for the office of Deputy Collector by the Inspector General of Police, and a recommendation coming from an Officer of Mr. Robinson's great and varied experience, must necessarily carry much weight. C. Ramiah is a Native gentleman of good manners and address; he has received an excellent education, and his character stands deservedly high. I have been entirely satisfied in every respect with the manner in which he has conducted his duties, and I beg respectfully to request that the Government will be pleased to take into their favorable consideration, my recommendation on behalf of these two Deputy Collectors.

1. Submitted for the information and orders of Government.

2. The Board are glad to receive Mr. Silver's testimony to the efficiency and zeal of his Deputies.

No. 349. ORDER THEREON, 21st April 1864, No. 688.

1. The Government are glad to find that the arrangement has proved satisfactory.

2. The claims of Mr. Underwood and C. Ramiah will be duly considered, when vacancies occur.
