*Proceedings of the Madras Government, Revenue Department,
21st April 1864.*

No. 352. Read the following Proceedings of the Board of Revenue, dated 8th April 1864,
No. 2,097.

Read the following letter from the Collector of Vizagapatam, dated 21st March 1864,
No. 123:—

1. In the village of Razala in the Survasiddy Talook, the Government lands used annually to be swamped by the overflowing of the adjoining Irrigation Channel; to remedy this it was found necessary to erect an embankment which was done last year. It was found necessary to erect a portion of this bund on some intermediately situated Inám* land, and the Inámdar now claims compensation at Rupees 4-4-1 a year.

* 7 Parras.

The application is supported by the Principal Assistant in whose division the land is situated.
2. I have, however, since ascertained that the Inámdar is willing to receive twenty times the above amount, Rupees 85-1-8, in full of all demands, and this I beg to recommend may be sanctioned. The charge can be met from the Budget Funds for 1863-64 from "E, Works of Internal improvement and Public convenience" "Saderwarid and Contingencies."

Submitted for the sanction of Government.

No. 353. ORDER THEREON, 21st April 1864, No. 690.

Sanction is accordingly granted for Rupees (85-1-8) eighty-five, Anna one and Pice eight. The Government must, however, observe that the principle of making twenty times the annual value of the land the purchase money for the same, is not to be drawn into a precedent.
