Proceedings of the Madras Government, Revenue Department, 13th January 1864.

No. 133. Read the following letter from Lieutenant-Colonel W. K. WORSTER, Officiating Superintendent of Stationery, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 23rd December 1863, No. 1,224:—

SIR,

1. I have the honor to acknowledge the receipt of the Proceedings of the Madras Government, Revenue Department, with Order thereon dated 19th December 1863, No. 2,334, sent for remarks, and in reply to state that a large quantity of Printing paper is available for issue at the Stationery Depôt. This paper was received from Her Majesty's Secretary of State for India, and is priced considerably less than the inferior quality which can be obtained in our bazaars.

2. The rates according to Invoices from England are more favorable than the tenders of dealers in stationery in Madras.

3. Ample supplies of Europe articles of stationery can always be maintained at the Stationery Depôt, if heads of Departments will but submit their Estimates in sufficient time to be included in the General Indent on the Home Government as required by Her Majesty's Secretary of State for India in paragraph 4 of his letter dated 15th October 1862, No. 38.

4. The difficulty in meeting the requirements of several Departments in full is occasioned by Officers subsequently indenting for articles which they had not originally estimated for.

5. With regard to the purchase of petty articles in the local markets, this subject has already been fully entered into by Government in their Proceedings in the Public Department.* It is left for Captain Hessey as required in the last paragraph of the Order of Government of 8th October 1862, to point out the particular description of articles and prices which can be purchased locally at a saving to Government.

1. Communicated to the Superintendent of Revenue Survey, with reference to paragraph 2 of the Order of Government, 19th December 1863, No. 2,334.

2. Captain Hessey will accordingly indent for such Printing paper as he requires, and specify the trifling articles which he proposes should be purchased in the local markets.
