ABSTRACT.—Stating that the Government cannot grant sanction for the payment of the arrears of certain Yeomiah in the Tinnevely District before an explanation is submitted as to the exact date from which the arrears should be paid.

1. The Board observe that the exact date from which the arrears should be paid, the 12th October 1844, is given in the sixth column of the Collector's Tabular Statement which is contained in the Board's Proceedings on which the above Government Order is passed. Though the Board recommended that the allowances should be continued from the date of their Proceedings, that is the 23rd March 1863, the Collector has calculated the arrears up to the date of the Government Order sanctioning the proposal, so that the payment of the allowances will be renewed only from the 11th June 1863.

2. In calculating the period for which the arrears are due a few odd days have been omitted in the Collector's Statement, an error which the Civil Paymaster will rectify if necessary in the course of the check to which he will subject the amount given by the Collector.

No. 394. ORDER THEREON, 23rd April 1864, No. 710.

Sanction is accordingly granted (subject to audit) for the payment of Rupees (3,771-14-10) three thousand seven hundred and seventy-one, Annas fourteen and Pice ten.
