*Proceedings of the Madras Government, Revenue Department,
25th April 1864.*

No. 409. Read the following Proceedings of the Board of Revenue, dated 11th April 1864, No. 2,175.

Read again letter from the Collector of North Arcot, dated 4th February 1864, in Board's Proceedings 1st March, No. 1,286:—

Read also the following letter from the same Officer, dated 18th March 1864, No. 65.

1. I have the honor in reply to the Proceedings of the Board dated 1st instant, No. 1,286, to state that as no compensation would be payable if the cultivation of the land within the Military Cantonment of Arcot were restricted to the extent hitherto cultivated, it was assumed that the requisition contained in paragraph 2 of the Deputy Quarter Master General's letter to Government of the 3rd September last, No. 6,991, had reference to the extent of land at present under cultivation. A Statement was accordingly prepared to show the compensation which *might be payable* on this account, in the event of it being hereafter found desirable to have the whole space available for Military purposes.

2. The question of compensation would then revive, when the matter would be at once arranged on the terms now proposed.

1. Ordered that the above papers be submitted to Government, with reference to Government Order No. 1,713, dated 18th September 1863.

2. The Government will perceive that no compensation will be payable on account of limitation of cultivation within the Military Cantonment of Arcot to the extent to which it has hitherto been carried on.

No. 410. ORDER THEREON, 25th April 1864, No. 718.

The Board will call upon the Collector for a fuller explanation of paragraph 3 of his letter dated 4th February last, No. 28. If the parties there referred to obtained possession of the land in an authorized manner, their summary ejection without their consent is impossible. The Collector should state explicitly whether with the exception of the lands mentioned in paragraphs 2 and 3 of that letter, all the other culturable lands in the Cantonment are the property of Government, and unoccupied.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st March 1864.

Read the following letter from the Collector of North Arcot, dated Chittoor, 4th February 1864, No. 28:—

1. I have the honor with reference to the Proceedings of the Board dated 18th September last, communicating Order of Government of the same date, No. 1,713, to submit a Statement showing the particulars of the lands now under cultivation within the limits of the proposed boundaries, for the Military Cantonment of Arcot, and the compensation which it would be necessary to grant if the cultivation of these lands be for the future prohibited.
2. These lands are comprised in two villages, viz., Karani and Thandalam, and their aggregate extent measures Kanis 18, A. 13, C. 0, bearing an assessment of Rupees 31-9-4. The compensation which has been settled by arbitrators amounts to Rupees 445-15-0, including the value of two wells used exclusively for the cultivation of some of these lands.
3. I have not taken to account the lands which were taken up for cultivation in the past and Current Faslis. In such cases it will be sufficient if the assessment merely be remitted. Half a Kani of dry land was taken up in the past Fasli, and four Kanis in the Current Fasli, of which three Kanis were immemorial waste, the remaining one Kani being dry land.
4. In awarding the amount of compensation to be paid, the arbitrators have likewise estimated the value of the crops on the ground; but I have excluded this item from the Statement now submitted, as in a month or so, the crops will have been all harvested, and the lands are not so immediately required for public purposes.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the amount of compensation to be paid to the owners of the lands cultivated within the limits of the Military Cantonment of Arcot in the event of the cultivation of the same being prohibited.

1. The Collector will be requested to explain without delay why he proposes to prohibit cultivation to the extent hitherto existing.
2. The Board understand the Government to desire merely to prevent its further extension.
