*Proceedings of the Madras Government, Revenue Department,
28th April 1864.*

No. 451. Read the following Proceedings of the Board of Revenue, dated 23rd April 1864.
Read the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W.
HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 20th April
1864, No. 1,489 of Fusly 1273 :—

SIR,

1. I have the honor to report that on opening some reams of the water-marked Judicial paper, No. 3, received by the "Atalanta" in January last, and sanctioned as per advice from the Right Honorable the Secretary of State for India, No. 23, 15th May 1863, I have found that the packers have used as wrappers for the paper, sheets of the same water-marked paper, cut into strips through the three rolls forming such sheet.

2. I have now opened 160 reams of this Invoice, and every ream so far has been packed in like manner.

3. I lose no time in making this report that should Government see fit, a communication may be made to the Home Government, and so great an irregularity prevented in future shipments; I have also to notice that the contents of the Ream packets of this Invoice evince great carelessness in putting them up. Serious discrepancies, and in one Ream a deficiency of 24 sheets having been found. I will communicate the total result in due course.

4. If care is not constantly maintained in the packing of this paper, there will be much danger of it finding its way to India by irregular channels.

Submitted to Government with the request that the facts stated may be brought to the notice of the Home Government in view to the adoption of the necessary precautions.

No. 452. ORDER THEREON, 28th April 1864, No. 739.

The Government will await the report promised by Mr. Norfor in paragraph 3 of his letter. Meanwhile this letter will be brought to the notice of the Home Government.
