*Proceedings of the Madras Government, Revenue Department,
2nd May 1864.*

No. 22. Read the following Proceedings of the Board of Revenue, dated 18th March 1864,
No. 1,684 :—

Read again letter from the Collector of the Godavery District, dated 15th December 1863,
No. 407, in Board's Proceedings 7th January 1864, No. 52.

Read also the following letter from the same Officer, dated Amalapur, 22nd January 1864,
No. 11.

1. With reference to the Board's Proceedings of the 7th instant, No. 52, I have the honor to state that the late Collector considered the services of the Barber at Rajanagaram to be necessary for procuring bearers for the travellers on the northern high road, as there is besides only one Vettyan in the village.

2. There have been three Curnums in Narsapore for many years. Fewer might, perhaps, have performed the business ; but it was considered advisable to retain the present number until the introduction of the new scale of Village Establishments.

1. As it appears that the Barber at Rajanagaram is in fact an additional Vettyan, and that three Curnums have been for long on duty at Narsapore, the Board resolve to request sanction for the payment of the salaries of these servants, as well of the Moonsiff of Jagannadapuram and Vettyan of Rajanagaram, payments which have been hitherto made from the Moturpha collections. The sum required, Rupees (92-4-0) ninety-two and Annas four, can be provided from Rupees 11,732 sanctioned for the Godavery District, under B. III Allowances to District and Village Officers for the current year.

2. The arrangement will of course be subject to revision when the new Village Establishments are introduced.

No. 23. ORDER THEREON, 2nd May 1864, No. 761.

1. In these Proceedings the Board of Revenue solicit sanction for the continuance of the payment of Rupees 92-4-0 per annum from Fusly 1271 to certain village servants of the Godavery

3 Curnums, Narsapore. from Moturpha collections, which source of revenue has

1 Barber, }

2. The Collector states that these servants " have been serving as usual, on the understanding that they will be remunerated," and the Government will not therefore withhold their salaries for Fuslies 1271 and 1272 as also for Fusly 1273, the greater portion of which has expired, and for these sanction is granted. The Government must, however, remark that the subject should have been reported to them at an earlier date.

3. The circumstances under which these servants came to be paid from the Moturpha collections are not known. The Board will ascertain them and order the discontinuance at once of the employment of such of them as have been employed in the collection of that revenue. The Village Moonsiff of Jagannadapuram should be retained if there is no other similar servant at the place ; and the number of Curnums at Narsapore should be reduced at once to the actual number required, without reference to the general revision of the Village Establishments of the District. The servants in the village of Rajanagaram, who are stated to be very useful for supplying bearers to the travellers, should be remunerated out of the Bearer Fee Fund as recently ordered on a similar application from the Collector of Madras. The Board will issue instructions to the Collector of the Godavery District on this last point.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th January 1864.

Read the following letter from the Acting Collector of the Godavery District, dated Cocanada, 15th December 1863, No. 407 :—

1. I have the honor to forward a Statement showing the salaries received from the Moturpha funds by the village servants therein mentioned previous to the abolition of the Moturpha in Fasli 1271, since which Fasli they have been serving as usual, on the understanding that they will be remunerated.

2. The servants in the village of Rajanagaram, which is on the great northern road, are very useful for supplying bearers to the travellers. Neither they nor the Munsiff of Jaggernaikpuram have any other emoluments than the salaries formerly derived from the Moturpha tax. Vide letter from the Board to the Collector 10th April 1848. Board's Proceedings 3rd July 1848.

3. The Kurnums of Nursapore received, up to the end of Fasli 1271, a small allowance of Rupees 20-8-7 a year each from the village charges. On the introduction of the Settlement in Fasli 1272, the village charges were abolished, and their allowances for the last Fasli have been included in the Statement of salaries to the village establishments in the Sub-division, which accompanied my letter under date the 17th July 1863, No. 201.

4. Under the above circumstances I have the honor to request that the Board will be good enough to obtain the sanction of Government for disbursing the sum of Rupees 184-8-0, due in arrears for Faslis 1271 and 1272, and for continuing the payment of Rupees 92-4-0 a year until the new scale of village establishments may be brought into operation.

5. The amount of Rupees 184-8-0 can be paid from the sum entered under other items B I Land Revenue provided in the Budget for 1863-64.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the emoluments enjoyed by certain village servants from the Moturpha collections up to Fasli 1270.

The Acting Collector is requested to explain the necessity for employing three Kurnums at Nursapore, and why the Rajanagaram Barber is considered entitled to be paid as a Government servant.
