*Proceedings of the Madras Government, Revenue Department,
3rd May 1864.*

No. 30. Read the following letter from R. A. DALYELL, Esq., Sub-Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 25th April 1864 :—

SIR,

1. Referring to paragraph 4 of the Government Order No. 1,921, dated 24th October 1863, directing the Board to particularize in their Report on Bungalow Establishments, any items on account of salaries due to servants entertained at Travellers' Bungalows which remain unpassed by the Civil Paymaster for want of the sanction of the Government of India, I am directed by the Board to submit the accompanying Statement prepared from the replies of the Collectors to the Board's Miscellaneous Circulars noted in the margin,*

• No. XCVI, dated 27th October 1863, showing the amount of these unadjusted charges, and to request that orders may be issued for their adjustment before the close of the current official year. The Budget sanction under the head of E. Works of Internal Improvement will be sufficient to meet the charge.

2. The pay of the cook at the Kulhatty Bungalow in Coimbatore is calculated for one continuous period, from the 1st October 1861 to 30th April 1864; but it is possible that his services were dispensed with on the 1st May 1862, as proposed by the Collector in paragraph 5 of his letter, dated 30th April 1862, and that he was re-entertained a month or two afterwards on receipt of the Board's Proceedings, dated 26th June 1862 on the Government Order dated 23rd July 1862. Should this have been the case the Civil Paymaster will find no difficulty, under the Government sanction now requested, in passing the exact amount of pay disbursed by the local authorities to the cook in question. In the meantime the Collector of Coimbatore has been called upon to furnish information on this point, and such information when received will be forwarded to Government if found necessary.

3. The Collector of Salem has not yet replied to either of the Circulars marginally specified above, and it is not clear from the replies of the Collectors of the Kistna, Cuddapah and Trichinopoly Districts to the earlier of these Circulars whether there are any charges in their Districts of the kind now under disposal, but these Officers have been again called upon to reply on this point; and should it be necessary a supplemental Statement will be submitted to Government. The Board, however, believe that no such further communication will be necessary, and they accordingly submit the present Statement.

4. I am to add that the General Report on the Travellers' Bungalows in the several District is now under the Board's consideration, and will shortly be laid before Government.

No. 31. ORDER THEREON, 3rd May 1864, No. 765.

1. As on the completion of the Board's revision of the Bungalow Establishments, application will have to be made to the Government of India for sanction for the modified scheme which might then be determined upon, the Governor in Council is of opinion that the necessary sanction for the items referred to in the foregoing letter can be fitly applied for at the same time. The Statement submitted by the Board will therefore be returned to them for re-submission with their General Report referred to in paragraph 4, and with such additions or alterations thereto as may then be found necessary.

2. Referring to paragraph 2 of the Board's letter, the Government observe that the charge on account of the Cook at the Kulhatty Bungalow subsequent to his dismissal on 1st May 1862 can be admitted only after 24th November* of that year, when sanction was granted for his re-entertainment. The Order of 23rd July† 1862, quoted by the Board, contained no such authority.

* G. O. 24th November 1862, No. 2,476, paragraph 2
† No. 1,577, paragraph 5,
