*Proceedings of the Madras Government, Revenue Department,
7th May 1864.*

No. 80. Read the following Proceedings of the Board of Revenue, dated 28th April 1864.
Read the following letter from H. NEWILL, Esq., Collector of the Godavery District, to W.
HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Cocanada,
16th April 1864, No. 93:—

SIR,

1. Referring to the Proceedings of the Madras Government, dated 9th instant, received this day, in which they consider it desirable that the compensation to Inámdars and others, sanctioned in their Order dated 3rd ultimo, should be paid within the present official year, I have the honor to inform the Board that the utmost will be done to effect this; but as only a few days remain till the expiration of the official year, I fear that the attendance of all parties and the requisite inquiry as to identification cannot be effected within this limited period.

2. It is important that every precaution should be taken that the money reaches the proper parties. The absence of the Sub-Collector from his Division to take charge of the District on my departure in a few days will also increase the difficulty.

3. I deem it right to submit this explanation in order to prevent disappointment, and I may add that, as it appears to be the wish of Government that this item should be debited in the current year's amount, the amount, as soon as funds are placed at my disposal, will be debited accordingly and carried to account under the head of Deposit, and adjusted as soon after the close of the year as possible.

4. Further explanation regarding the services of a Special Deputy Collector to carry out the enquiries directed by Government, will form the subject of a separate communication.

1. Submitted for the information of Government.

2. The Board approve the Collector's proceedings.
