*Proceedings of the Madras Government, Revenue Department,
10th May 1864.*

No. 106. Read the following Proceedings of the Board of Revenue, dated 23rd December 1863 :—

Read Proceedings of the Madras Government, dated 19th December 1863, Revenue Department, No. 2,345 :—

(In Cons. 21st December 1863, No. 8,261.)

1. The Board presume that as no specimens of paper have been sent to them, it is as to the question of size only that information is required. The proposal of the Calcutta authorities is that Nos. 2 and 3 only shall be retained, and on this point the Superintendent of Stamps will be requested to report.

2. The Board trust that the "Machine-made" paper which it is now proposed to substitute for hand-laid paper for the Stamp Department will not resemble the Machine-made foolscap now supplied for Office use from the Stationery Department, in lieu of the hand-laid paper formerly used.

3. Anything worse than the article now received can scarcely be imagined. It is certain that no retail Stationer would be able to sell a quire of such paper for business purposes.

No. 107. ORDER THEREON, 10th May 1864, No. 803.

Ordered to be recorded.

(True Extract.)
