PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th April 1864.

Read the following letter from the Collector of North Arcot, dated Pungodu, 14th March 1864,  
No. 60:—

1. In Proceedings of Madras Government, Revenue Department, dated 20th February 1864, I am required to report on a letter from the late Dewan to the Carnatic Durbar, representing certain inconveniences to which as Trustee of the Mosques at Madras, Arcot, and Trichinopoly, he will be subjected in the administration of their affairs by the operation of the order which requires that all ready-money allowances be commuted into assignments of land of equivalent value.

2. I have given the grounds upon which special exemption is sought my best consideration, and am of opinion that there is nothing in these which might not with equal force be urged in three-fourths of the case which will be affected by the order in question.

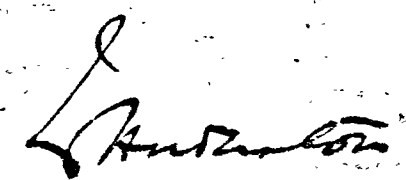

3. The difficulties anticipated by Petitioner in the realization of revenues so allotted may no doubt arise to some extent; but the case is not singular, and the selection of lands to be assigned for the maintenance of these religious institutions being in his own hands, he can, if due care and judgment be exercised in the first instance, secure himself in a great measure against the evils pointed out in the letter under report.

4. If the order be absolute, and the withdrawal of the State from all concern with the religious establishments of the country unconditional, I do not see how any ear can be given to representations of this sort, and with these observations, have now the honor to leave the further disposal of this matter in the hands of Government.

1. Submitted for the consideration and orders of Government with reference to their Proceedings dated 20th February 1864, No. 310, Revenue Department.

2. The Board do not see that the difficulties in the way of carrying out the commutation of cash payments are at all greater in the case of this Mosque than of any other religious institutions in the country, nor are they aware how far the Arcot Mosque is now deemed to be under the care of the family of the late Nabob. It is for the Government to decide how far the case needs to be dealt with specially.
