*Proceedings of the Madras Government, Revenue Department,
12th May 1864.*

No. 141. Read the following Proceedings of the Board of Revenue, dated 9th May 1864.
Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, dated Coimbatore, 18th April 1864,
No. 79 :—

SIR,

1. With reference to the Board's Proceedings of the 23rd ultimo, No. 1,819, I have the honor to forward copy of letter from Colonel Woodfall, dated 13th instant, setting forth the purpose and extent to which he requires to divert the stream near Lamb's Rock.

2. As already reported there is no objection to his diverting the stream, but, as remarked by the Board, the right of Government to deal hereafter at its pleasure with this source of supply must be reserved.

1. Ordered to be submitted to Government, with reference to Government Order, dated 30th March 1864, No. 522, Revenue Department.

2. The Board recommend that Colonel Woodfall be allowed to make use of the stream for the present on the express understanding that the Government in no way relinquish their power to deal with the source of supply and the stream at their pleasure at any future time, to the extent if necessary of intercepting the supply to Colonel Woodfall's premises.

No. 142. ORDER THEREON, 12th May 1864, No. 821.

Pending the report called for from the Board on the general question, the Government sanction the adoption of the course recommended by the Board in this instance. Notice of the condition should be served on Colonel Woodfall in such a manner as to preclude future doubt or difficulty; and it must be understood that Colonel Woodfall is not to divert the supply for the Burly village, when that runs short, as is occasionally the case during the hot weather.
