*Proceedings of the Madras Government, Revenue Department,
12th May 1864.*

No. 143. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Coonoor, 29th April 1864, No. 411:—
SIR,

1. The repairs provided for in the undermentioned Estimates, amounting (certainly in the
case of the former, and to some extent of the latter also) to re-construction, and the Budget
allotment of Rupees 2,500* for South Canara, being altogether
inadequate to meet such heavy demands with due regard to
the calls for ordinary annual repairs, I have the honor to submit the same for sanction of Govern-
ment and provision of the necessary funds from the Reserve of 1864-65.

* Revenue Salt.

2. The Estimates originally prepared by the Revenue officials in charge have been revised
from Rupees 872-6-0 to Rupees 1,040, and the work at first thought emergently required
before the ensuing monsoon is reported by the Supervisor in charge of Mangalore Range as
capable of being deferred till afterwards, on careful execution of the ordinary monsoon repairs.
I see that Mr. Fernandez has forgotten to obtain the Collector's countersignature, but the
original call for the lesser sum having been made to me direct by that gentleman it does not
appear necessary to send the papers back.

1. Thorough repair of Salt Koty No. 1 at Mangalore.....	Rupees, 720
2. Do. Talookoty at do.	320
Total...	1,040

Referred to the Revenue Department.

Sir, The Repairs provided for in the undermentioned Estimates, amounting certainly in the case of the former, and to some extent of the latter, also to reconstruction, and the Budget Allotment of Rs. 2500 for South Canara being altogether inadequate to meet such heavy demands with due regard to the calls for ordinary Annual repairs, I have the honor to submit the same for sanction of Government and provision of the necessary funds from the Revenue of 1864/65.

2- The Estimates originally prepared by the Revenue Officials in charge have been revised from Rs. 872-6-0 to Rs. 1040, and the work at first thought urgently require before the rising Monsoon is reported by the Supervisor in charge of Mangalore Range as capable of being deferred till afterwards, on careful execution of the ordinary Monsoon repairs. - See that Mr. Tennant has forgotten to obtain the Collector's countersignature, but the original call for the lesser sum having
