*Proceedings of the Madras Government, Revenue Department,  
18th May 1864.*

No. 210. Read the following Proceedings of the Board of Revenue, dated 3rd May 1864.  
Read Proceedings of the Madras Government, dated 23rd April 1864, No. 704.

1. The Board instructed the Superintendent of Stamps to put himself in communication with the Commissioner of Police and the Government Solicitor, and to place at their disposal all the information that had reached him.

2. They also furnished copy of the Government Order to these Officers, and communicated direct with the Commissioner of Police, whom however they found to be already in communication with the Chief Secretary to Government in regard to the charge against Mr. A. Clarke.

3. Under these circumstances and as Mr. Clarke is employed in the Police Commissioner's Office, the Board did not consider it necessary or fitting for them to interfere further in the matter of this charge.

No. 211. ORDER THEREON, 18th May 1864, No. 856.

1. The Government concur with the Board that further enquiry on their part would now be useless.

2. Singarum should be dismissed, and such of the other employes of the Office as the Board think fit should be transferred to other offices.

3. Teroovengada Charry will continue under suspension for the present.

4. In G. O. 24th February last, Revenue Department, No. 336, the Board were directed to communicate with the Commissioner of Police and Government Solicitor regarding the charge brought against Mr. A. Clarke by Teroovengada Charry. The Board however found that the Commissioner was already in communication with Government on the subject, in consequence probably of G. O. dated 14th March last, No. 359, Judicial Department. The statements taken by Mr. Norfor from his subordinates will now be transferred to the Judicial Department, as Mr. Clarke is mentioned in them.
