MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Quarter Master General, Fort Saint George, 26th December 1863, *No.* 10,116; *to the Secretary to Government, Military Department.*

I have the honor, by order of His Excellency the Commander-in-Chief, to bring to the notice of Government the state of the Road between Salem and Trichinopoly. It is at present the nearest route to Trichinopoly, and therefore always adopted by travellers, and, when there are no Native families, by bodies of Troops. It is at present in very bad condition, chiefly in the Trichinopoly half. Recent heavy rain has injured it, but this is being partially remedied by gangs of Coolies. The Rail from Trichinopoly to Erode is not, it is stated, to be open for three years, meanwhile this Salem route must be used. His Excellency therefore begs that authority may be granted for placing it in first class order without delay..

2. He also recommends that the Bungalows at Namculdroog and Totium, where travellers stop usually when travelling by Transit, be supplied with Crockery, &c., as elsewhere.

ORDER, No. 100, 11*th January* 1864.

Communicated to the Department Public Works, with advertence to paragraph 1—and to the Revenue Department for consideration and orders on paragraph 2 of the foregoing letter.
