*Proceedings of the Madras Government, Revenue Department,
20th May 1864.*

No. 239. Read the following Proceedings of the Board of Revenue, dated 9th May 1864, No. 2,780.

Read the following letter from the Collector of Madura, dated 16th April 1864, No. 85:—

1. With reference to the Proceedings of the Board dated 10th ultimo, communicating the Order of Government bearing date the 26th February last, No. 351, I beg to submit that there is only one servant attached to my Head Assistant's office performing both the duties of Sweeper and Masalchi, and that he can do the additional work of the branch Treasury, whenever the Head Assistant's office is at Ramnad. But it cannot be expected that he can always be spared, whenever the Head Assistant moves about into the District, which in some instances may be for prolonged periods.

2. Besides, the officials in charge of the branch Treasury require the assistance of an Attender for carrying messages, posting reports, accounts, &c., and attending to other miscellaneous works. Thus the Board will see that it is not only the work of a Sweeper and Masalchi that is expected from the servant applied for. I would therefore beg to recommend that sanction be obtained for the entertainment of a separate servant for the Treasury.

Ordered to be submitted to Government, with reference to their Order dated 26th February 1864, No. 351. It appears from the Collector's letter that a separate Sweeper is necessary for the branch Treasury at Ramnad, and the Board accordingly recommend the appointment for the sanction of Government.

No. 240. ORDER THEREON, 20th May 1864, No. 870.

Under the circumstances stated, the Government sanction the employment of a Sweeper on 5 Rupees a month in the branch Treasury at Ramnad, the charge to be included in Mr. Pelly's general list of Establishment.
