Proceedings of the Madras Government, Revenue Department, 21st May 1864.

No. 244. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 5th May 1864, No. 109 :—

SIR,

1 Plan.
1 Abstract Estimate.
1 Specification.
1 Letter No. 96, dated 20th April 1864, from Collector of Madras.

1. With reference to the Proceedings of Government No. 3,543, dated 2nd December 1863, I have the honor to submit for the sanction of Government Plan and Estimate amounting to Rupees 11,000 for the construction of a Talook Cutcherry at Sydapet in the Madras District.

2. The Plan which has been prepared in communication with the Collector, though not in accordance with the standard design, is, Mr. Banbury considers, more suitable than it.

3. The Acting Collector is further of opinion that the Cutcherry need not be fortified, and that no arrangement is required for the confinement of short sentenced prisoners or of those under investigation, and as the Board of Revenue in giving their approval to the Estimate observe that the standard Plan of Cutcherries authorized for general adoption "is unsuited to the peculiar case of Sydapet," I recommend that the work as provided for in the accompanying Estimate, Rupees 11,000, may be sanctioned for execution this year from the Reserve Fund.

In Proceedings, dated 2nd May 1864.

Referred to the Revenue Department with reference to the Orders in that Department, No. 2,135, dated 26th November 1863.

No. 245. ORDER THEREON, 21st May 1864, No. 872.

The construction of a Cutcherry at Sydapet is not so urgently required as to render its immediate construction from the Reserve Fund necessary. The late Collector having represented that Talook Cutcherries are urgently required at Madarantakum, Teroovallore and Sydapet, Estimates have been sanctioned for the two former and a portion of the Guindy Jail buildings has been converted into a suitable Cutcherry for the Sydapet Tahsildar. The two former buildings should first be proceeded with. The Board of Revenue are requested to report, after communication with the Collectors, how many new Cutcherries are required, and to suggest the order in which they should be undertaken. The Government cannot afford funds at once to build all that are likely to be needed, and it is desirable that those most urgently required should first be undertaken.

Order dated 2nd February 1864, No. 182.

Proceedings of the Madras Government

Under date the 21st May 1864.

Read the following

letter from the Superintending Engineer 4th Division.

Forwards an Estimate with accompaniments for a Taluq Cutcherry house at Sydapett for Rupees 11,000, and requests that the same may be sanctioned for execution from Reserve Fund.

(Here enter 5th May 1864 No. 109)

The construction of a Cutcherry at Sydapet is not so urgently required as to render its immediate construction from the Reserve Fund necessary. The late Collector having represented that Taluq Cutcherries are urgently required at Madarantakum, Tiruvallore and

and Sydapet, estimates have been sanctioned for the two former and a portion of the Guindy Jail buildings has been converted into a suitable Cutcherry for the Sydapet Tahsildar. The two former buildings should first be proceeded with. The Board of Revenue are requested to report, after communication with the Collectors how many new Cutcherries are required and to suggest the order in which they should be undertaken.
