Proceedings of the Madras Government, Revenue Department,
23rd May 1864.

No. 259. Read the following Proceedings of the Board of Revenue, dated 10th May 1864, No. 2,812.

Read the following letter from the Collecter of Ganjam, dated Chetterpore, 14th April 1864, No. 58:—

With reference to the Board's Proceedings of the 3rd December last, No. 7,600, requesting me in communication with the Superintending Engineer to have Plans and Estimates drawn up for converting the Barracks at Chicacole into a Cutcherry for my Principal Assistant, I have the honor to report that Captain Grove has personally assured me, that the building is totally unsuited for a Cutcherry, explaining satisfactorily why it is so; I have therefore requested the Superintending Engineer to take no further steps in the matter for the present. The Judge's Court will shortly become available for a Cutcherry, for which it is of course far better adapted than the old Barrack.

Ordered to be submitted for the information of Government, with reference to Government Order, No. 2,336, dated 19th December 1863.

No. 260. ORDER THEREON, 23rd May 1864, No. 880.
