*Proceedings of the Madras Government, Revenue Department,
25th May 1864.*

No. 290. Read the following Proceedings of the Board of Revenue, dated 4th May 1864, No. 2,695.

Read the following letter from the Acting Collector of Madras; dated Saidapet, 1st April 1864, No. 135:—

1. In their Proceedings of the 16th February last, No. 1,016, the Board have communicated to me the Order of Government in the Revenue Department, declining to sanction the arrears of pay claimed by Chinnasawmy Pillai, Superintendent of the Madras Kottar, on the ground that in February 1863 he ceased to perform the duties of the Madras Kottar, and that he was then appointed to the Superintendentship of the Home's Garden Depôt on a salary of Rupees 85, which was adequate remuneration for the performance of the duties attached to this latter office.

2. I beg to state that Chinnasawmy Pillai did not really cease to perform the duties of the Madras Kottar. In February 1863, the Home's Garden Superintendent's place fell vacant by the death of the then incumbent Ramanujah Mudali. As the salary of that place was the highest available in the Salt Department, Mr. Smith proposed to give the pay to Chinnasawmy Pillai, and to make him continue to do duty at Madras. Mr. Roberts, the then Acting Collector, having approved of this arrangement, it was carried out.

3. The Board will thus see that although Chinnasawmy Pillai was appointed as Superintendent of Home's Garden, with the view of his services being remunerated with the highest salary available in the Department prior to the introduction of the revised scale, he continued actually transacting the more important and difficult duties at Madras.

4. With this explanation, I beg to submit for the favorable consideration of the Board and the Government another application from Chinnasawmy Pillai. This employé's qualifications and usefulness, as well as the responsible and onerous nature of the duties devolving upon him, have already been represented; and I need add nothing to the commendations which have already been brought to the notice of the Board concerning him.

ENCLOSURE No. 1.

ABSTRACT.—Application of Chinnasawmy Pillai, Superintendent of Madras Salt Kottar, for arrears of salary.

As it appears from the above letter that the Government Order dated 13th February 1864, No. 277, was passed under a misconception of the facts of the case, the Board resolve to re-submit the case to Government for favorable consideration.

No. 291. ORDER THEREON, 25th May 1864, No. 895.

1. The arrangement referred to in paragraphs 2 and 3 of the Collector's present letter was irregular, and ought not to have been allowed.

2. The Government cannot sanction the arrears of pay claimed by Chinnasawmy Pillai without the authority of the Government of India, which they do not see sufficient reason to apply for.
