*Proceedings of the Madras Government, Revenue Department,
27th May 1864.*

No. 315. Read the following Proceedings of the Board of Revenue, dated 13th May 1864,
No. 2,919.

Read the following letter from the Collector of the Kistna District, dated Masulipatam, 21st
April 1864, No. 55 :—

1. I beg to bring to the notice of the Board the case of a class of servants many of whom
have been thrown out of employment in the late amalgamation of the Districts and revision of
establishments.

2. The class I allude to are those who passed much of their service in situations of Samut-
dar and Gumashta, on a salary of 10 Rupees and under, and who are consequently not eligible
under the rules for pension.

3. Many of these servants have upwards of thirty years' service, but, from the cause above
stated, are not eligible for any pension.

4. In their Proceedings dated 17th February 1861, Government sanctioned the grant of a
compassionate allowance of Rupees 2-8-0 a month to Peons of thirty years' service, thrown out
during the revision of establishments, and I would submit to the Board that the class above
alluded to are equally deserving of consideration, and would beg their intercession with Govern-
ment for the extension of the favour to them, as they are of a superior class, and drew higher
salaries than Peons. I would venture to suggest that the allowance might be 4 Rupees a month
in their case.

1. Ordered to be submitted for the favorable consideration of Government.

2. The principle of the late Government Order is as applicable to the cases cited by
Mr. Thornhill as to that of Peons, while the charge on the State funds is not likely to be large
or of long continuance.

No. 316. ORDER THEREON, 27th May 1864, No. 907.

The Government wish to be furnished with a complete list of the class of servants referred
to thrown out of employment in the Districts of this Presidency in consequence of reductions in
the Establishments.
