*Proceedings of the Madras Government, Revenue Department,
30th May 1864.*

No. 349. Read the following letter from Major J. J. BRINE, 4th Regiment N. I., to C. G. MASTER, Esq., Deputy Secretary to Government, Revenue Department, Fort Saint George, dated Royapooram, Madras, 18th May 1864:—

SIR,

1. I have the honor to acknowledge the receipt of the Proceedings of the Madras Government and Order thereon, requiring me to pay the amount of deficit in respect of 504 planks cut under contract by me in the Anamallay Forest, and recently reported on by Captain Beddome.

2. I beg respectfully to request that the Government will be pleased to stay the present execution of the Order to the Controller of Finance, directing him to recover the amount of my liability from my pay, until the Government shall be in possession of the explanation of Mr. Lennon, my late Head Overseer.

3. In the meantime I accept the responsibility of the payment of the deficit, and when called on for payment would prefer doing so at once to paying the money by instalments from my pay.

4. I beg to state for the information of the Government that I am a holder of the Government 5 per cent. loan to a larger amount than the sum I am liable for, and I mention this as affording security for the performance of my promise at the proper time.

5. In conclusion I respectfully request the forbearance of the Government during the period of three months accorded to the Overseer for explanation, as I am desirous of submitting a reply to their Order, in which I hope to be able to bring forward some facts both in extenuation and perhaps mitigation of my case.

No. 350. ORDER THEREON, 30th May 1864, No. 924.

The Order on Major Brine's case was passed after careful consideration, and the Government now see no reason for deferring its accomplishment.
