*Proceedings of the Madras Government, Revenue Department,
31st May 1864.*

No. 358. Read the following letter from F. LUSHINGTON, Esq., Deputy Auditor and Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 27th May 1864, No. 34:—

SIR,

1. Before issuing instructions to the Treasury Officer as directed in paragraph 2 of the Government Order No. 873, dated the 21st instant, I have the honor to enquire to what head of account the cost of the Conservancy Establishments disallowed by the Government of India under Land Revenue, are to be debited in the Collector's Returns.

2. Under the system now in force, the head Advances under Public Debt does not receive debit for any payments susceptible of adjustment hereafter, such unadjusted payments being in the Treasury Accounts debited, though in a separate column, to the same head to which the subsequent adjustments are debitable. The charges under reference cannot be admitted under Land Revenue, as the Supreme Government have expressly declined to sanction the necessary provision under that head, and pending the further reference which it is proposed to make on the subject, I beg to suggest that the amount be shown in the Collector's Returns as an unadjusted charge under "Public Works Remittances."

3. In the event of the Government of India sanctioning the proposal of the Local Government, the necessary transfer may at once be made to "Land Revenue."

ORDER THEREON, 31st May 1864, No. 929.

No. 359. The suggestion made in the latter part of paragraph 2 of this letter is approved.
