*Proceedings of the Madras Government, Revenue Department,
3rd June 1864.*

No. 32. Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Tinnevely, 18th May 1864, No. 193 :—

SIR,

1. I have the honor to acknowledge the Order of Government of 6th May 1864, No. 784, and in returning the two enclosures to the same, I beg to forward for the information of Government copy of a letter from the Superintendent of Pearl Banks to my address, dated the 16th instant.

2. I am unable to recommend any less expensive but still effective method of constructing the proposed Pearl Oyster Nursery, and I would beg to recommend the enhanced amount of Rupees 20,000 be sanctioned. The project is one in which I feel great interest, and if it proves successful, a valuable source of revenue will be opened.

No. 33. ORDER THEREON, 3rd June 1864, No. 948.

Miscellaneous.

The Government approve of the additional outlay of Rupees 20,000 required for constructing the Pearl Oyster Nursery, and direct that the work be proceeded with at once.

From Captain G. A. Phipps
Superintendent of Pearl Banks

To J. Silver Esq
Collector of
Tinnevely

Sir,
I beg to acknowledge the receipt of your letter No 537 dated 11th Instant, and in reply to inform you, that I know of no cheaper plan which at the same time would be equally so effective for constructing the Oyster nursery as the one already proposed, the chief expense appears to be the Coral Stone, a saving in this might be effected by curtailing the Dimension of the surrounding walls, but

but this I could not recommend.

I have &c
