*Proceedings of the Madras Government, Revenue Department,
4th June 1864.*

No. 38. Read the following Proceedings of the Board of Revenue, dated 20th May 1864.
Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, dated Tinnevely, 9th May 1864,
No. 180:—

SIR,

1. Adverting to the Proceedings of Government, dated the 1st ultimo, approving of the List submitted by me of the Committees for the management of the Religious Institutions in this District under Act XX of 1863, I have the honor to state for the information of the Board that, in my opinion, the appointment of Committees should take effect from 1st July next immediately after the close of the present Fusly, as four of the existing Trustees who have been elected as members of the Committees, have already drawn the money due to the Temples for this Fusly, and their accounts of receipts and disbursements must be closed up to the end of this Fusly, before they are handed over to their successors.

2. I further beg to state that Narasinga Row, whom I proposed to appoint as a member of the Vishnoo Committee, has since died, and I therefore recommend that Narain Row, late Acting Tahsildar of Sankerninarcovil, and now on the receipt of a Government pension, a man of respectable character, who is able to command the confidence of the community, may be appointed to fill the vacancy, and I request the sanction of Government for the same.

Ordered that the foregoing letter be submitted to Government, with reference to their Proceedings, dated 1st April 1864, No. 535, and with the Board's recommendation that the Collector's proposal and nomination be sanctioned.

No. 39.

ORDER THEREON, 4th June 1864, No. 951.

Miscellaneous.

1. The Board of Revenue recommend the proposals of the Collector of Tinnevely to postpone the action of the Committees recently appointed under Act XX of 1863, to 1st July next, and to appoint a successor to one of the members who died lately.

2. Under Section 12 of Act XX of 1863 the functions of the Board of Revenue devolve on the Committees "immediately on their appointment," and Government have no power to prevent them from entering upon the duties at once. Such of the members of the Committees as have been Trustees must account for the sums paid to them up to the date of their appointment as members of Committees, and this they can do without much difficulty.

3. The Board will call upon Mr. Levinge to report the exact date of the death of Narasinga Row; for if it occurred after the appointment of the Committee the Government have no power to fill up the vacancy.
