*Proceedings of the Madras Government, Public Works Department,
17th May 1864.*

No. 376. Read the following Proceedings of the Madras Government in the Revenue Department:—

Stating that the Travellers' Bungalow at Gudur, Nellore District, must be completed, the expense being scrutinized in the Department Public Works. (Here enter 4th May 1864, No. 776.)

No. 377. ORDER THEREON, 17th May 1864, No. 1,423.

1. Communicated to the Superintending Engineer, 2nd Division, who will be informed that the expenditure upon the work during the current year will be met from the Reserve under "Communications."

2. The Government have ascertained that the prices at which doors and windows can be obtained or made up at the Presidency are as follow:—

Batten doors, $3\frac{1}{2}' \times 7\frac{1}{2}'$...	each Rupees	22	8	0
Half pannelled and half venetianed doors, $3\frac{1}{2}' \times 7\frac{1}{2}'$...	"	26	0	0
Do. do. $3\frac{1}{2}' \times 7'$...	"	24	0	0
Venetianed windows with iron bars, $3' \times 6'$...	"	28	12	0
Glazed shutters with brass hinges, $3' \times 6'$...	"	10	12	0

3. From the Comparative Statement submitted with the letter recorded in the foregoing Proceedings, it is observed that the undermentioned rates are charged by the Executive Engineer:—

Doors, batten, $3\frac{1}{2}' \times 7\frac{1}{2}'$...	each Rupees	35	12	0
Doors, pannelled and venetianed, $3\frac{1}{2}' \times 7\frac{1}{2}'$...	"	48	0	0
Do. do. $3\frac{1}{2}' \times 7'$...	"	45	12	0
Windows (description not given), $3' \times 6'$...	"	36	4	0

4. The difference between the prices entered in the Executive Engineer's Statement and those prevailing at the Presidency, is striking. Colonel Anderson will be good enough to obtain and submit full explanation on the subject for the information of Government, and to report from whom the articles were ordered by the Executive Engineer.

5. Captain Moberly should be informed that he was not authorized in ordering the doors and windows to be made up without, in the first instance, ascertaining the price, and obtaining the sanction of Government to the probable excess over the original Estimate.
