Present total deficit in the Coir Department.			18,303

1. Since Mr. Morris' letter of the 31st March,* No. 62, was written, I have the honor to state that, though not much expected, four more boats with a cargo of Candies 58, Mds. 13, lbs. 23 of Coir have arrived from the Laccadive Islands. This has necessitated a further disbursement of Rupees 2,185, and it now forms an addition† to the excess over the Budget provision of the year already pointed out by Mr. Morris.

2. The sources from which Mr. Morris proposed to meet the deficit shown in his letter still after another month's actual out-turn, leave sufficient funds to meet the excess I have now pointed out. Sanction is accordingly requested.

Ordered to be submitted to Government. In addition to the excess expenditure of Rupees 16,118, which was sanctioned by Government in their Order dated 26th April 1864, No. 723, for the purchase of Coir, the Collector now requests sanction for another sum of Rupees 2,185, disbursed on account of the further quantity of Coir received unexpectedly from the Islands. The Board recommend that under the circumstances stated sanction may be granted for the additional sum of Rupees 2,185.
