*Proceedings of the Madras Government, Revenue Department,
9th June 1864.*

No. 99. Read the following Proceedings of the Board of Revenue, dated 20th May 1864, No. 3,106.

Read again letter from the Collector of Coimbatore, dated 16th March 1864, No. 52, recorded in the Board's Proceedings under date 11th April 1864, No. 2,172.

Read also the following letter from the same Officer, dated 25th April 1864, No. 86:—

1. With reference to the Proceedings of the Board of Revenue dated 11th instant, No. 2,172, I have the honor to state for their information that Hanoobacampolliem and Alahutty, Nos. 179 and 180 in the list submitted to the Honorable C. Pelly, may with advantage be transferred with Moolatoray from Suttiamangalum to Coimbatore. The distance between them and the former Talook is thirty-two miles through an unhealthy locality, whilst from the latter Talook they are only twenty-five miles distant.

2. Ariyoorcombay No. 248 in the list is situated on the Coonoor Ghát, and is only eighteen miles distant from Ootacamund, to which undoubtedly it should be transferred. From Coimbatore and Suttiamangalum Cusbahs it is thirty-one and thirty-eight miles distant, respectively. I recommend that it be transferred to the Neilgherry Talook.

3. The Petition No. 3,639 of 1863 is again transmitted herewith.

ENCLOSURE No. 1.—Petition.

1. The inconvenient situation of the Nellitoray village was brought to the notice of the Board by the villagers in a Petition dated 26th October 1863, in which the Petitioners prayed that their village might be transferred from the Suttiamangalum Talook to that of Coimbatore.

2. In reporting on Petitioner's grievance, Mr. Grant brought to notice that the Petitioner's village with six others, as noted in the margin, were situated on the north side of the Bowany river, and at a considerable distance from Suttiamangalum, while they were comparatively accessible from Coimbatore.

3. On referring to the correspondence which passed between the Collector of Coimbatore and the Honorable C. Pelly on the subject of grouping villages, the Board observed that the three villages of Hanoobarapollem, Alahutty, and Aryancamby were grouped with villages entered among the seven noted above. They therefore requested information as to whether it would not be desirable to transfer these three villages from Suttiamangalum to Coimbatore.

4. Mr. Grant now reports that two of these villages* ought to be so transferred, but that the third, being situated on the Coonoor Ghát and only eighteen miles from Ootacamund, ought to be included in the Neilgherry Talook.

The Board resolve accordingly to submit the matter for the consideration and orders of Government, with their recommendation that Mr. Grant's proposals be carried into effect, viz., that nine of the ten villages referred to as situated in the Suttiamangalum Talook be transferred to the Coimbatore Talook and one (Aryancamby) to the Neilgherry Talook.

No. 2,172.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th April 1864.

Read the following letter from the Collector of Coimbatore, dated Poochay, 16th March 1864, No. 52:—

1. With reference to the Endorsement of the Board of Revenue dated 21st December 1863, on Petition No. 3,639 (herewith returned), calling on me for my opinion as to the advisability or otherwise of the transfer of Nellitoray village from the Suttiamungalum Taluk to Coimbatore, I beg to state for their information that this village and Odunthoray situated in Suttiamungalum Taluk should be transferred to Coimbatore.

The two villages are contiguous and lie at the foot of the Coonoor Ghaut on the north bank of the Bowany river, the road from Matoopollem to the foot of the Ghaut may be said to run through them. They are both more than thirty miles distant from Suttiamungalum to which station the Ryots experience great difficulty in proceeding, whereas they are only twenty-two miles from Coimbatore.

2. The collections of these villages are now remitted to the Coimbatore Taluk Treasury through the Deputy Tahsildar of Matoopollem, as the road to Suttiamungalum is unsafe.

3. I request that the transfer of the two villages named may be sanctioned at an early date.

4. I take this opportunity also of requesting that the Board will be good enough for the reasons above stated to sanction the transfer of five other villages situated on the north bank of the Bowany river from Suttiamungalum to Coimbatore Taluk.

5. A list showing their names and distances from the Taluk Cusbah is enclosed for the Board's information.

ENCLOSURE No. 1.

ABSTRACT.—Memorandum showing the names of villages recommended to be transferred from Suttiamungalum to Coimbatore Taluk.

ENCLOSURE No. 2.—Petition.

The Board approve of the Collector's propositions to transfer the seven villages noted in the margin, from the Suttiamungalum Taluk to the Coimbatore Taluk; but before recommending the transfer for the sanction of Government, they would wish Mr. Grant to inform the Board whether three other villages, marginally noted, should not at the same time be transferred with these villages, as it appears from the Statement of villages proposed to be grouped together furnished to Mr. Pelly, that these villages are included in the same groups as the villages which Mr. Grant now proposes to transfer, and should therefore apparently be transferred with them.
