G.O. No. 583	Press ~~Mis.~~
<i>W 102</i>

*Proceedings of the Madras Government, Revenue Department,
9th June 1864.*

No. 101. Read the following Proceedings of the Board of Revenue, dated 12th May 1864, No. 2,876.

Read the following letter from the Collector of Kurnool, dated 26th April 1864, No. 62:—

1. As called for in the Sub-Secretary's Official Memorandum, No. 316 of the 20th April, I have the honor to reply to your Miscellaneous Circular No. III, Board No. 296, dated 16th January.

2. With regard to the printing of papers from the records, I have already stated that there are no Revenue papers on the records of sufficient interest to make their publication advisable.

3. I beg to submit a list of papers, which possess great historical interest, and which may be printed at the District Press when opportunity offers, if the sanction of Government be granted for that step.

4. I have selected these papers from the records, as detailing accurately the whole story of the late Nawab Goolam Russool Khan Bahadur's insane proceedings, by which he and his family lost their valuable territory, and his harassed subjects obtained the advantage of transfer to the British Government.

5. With reference to any proposals for making the District Gazette more attractive to the people, I believe that it is as much so as is compatible with a purely official publication, and that attempts in this direction are likely to lead to the objectionable introduction into the Gazettes of unofficial news, or even of mere personal opinion.

6. The getting up of the Kurnool Gazette is at present very fair: but a want of Press material, and of a Press of larger dimensions, greatly cripples the efficiency of the Press Establishment, and would render the printing of records for the present quite out of the question.
