*Proceedings of the Madras Government, Revenue Department,
9th June 1864.*

No. 103. Read the following Proceedings of the Board of Revenue, dated 27th May 1864.
Read the following letters:—

From J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Nellore, 19th May 1864, No. 138.

SIR,

1. I have the honor to acknowledge the Proceedings of the Board of the 14th, and state in the margin the correspondence in which the want of a Jail and Cutcherry at Rapurú have been pressed.

2. There is a good deal of crime at times, but there is neither Jail or Cutcherry from Addanki to Venkatagiri, 150 miles.

3. In half the District the Police are called on to guard prisoners without Jails, and criminals are imprisoned, if imprisoned, where the state of the atmosphere endangers life.

From Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 18th May 1864, No. 10.

SIR,

1. Referring to G. O. No. 1,366, dated 11th May 1864, I have the honor to submit a Tracing* with Estimates for the Talook Cutcheries proposed to be constructed at Kanigiri, Oodiagiri, Atmakur and Rapurú.

2. The Cutcherry at Ongole, included with the other four in the list enumerated in Proceedings† of Government, Judicial Department, has already been sanctioned‡ for execution.

3. The Plan§ for all the proposed Cutcheries is the same as that sanctioned for Ongole. It differs slightly from the standard Plan¶ of which I lately received a copy from the Collector, but the general arrangement is the same. The out-houses, however, which are provided for in the standard plan were omitted, and if they are considered essential, the estimates will be increased by the following amounts:—

	Estimate without out-houses.	Additional cost of out-houses.	Total
	RS.	RS.	RS.
1. Ongole	9,700	834	10,534
2. Kanigiri	10,500	834	11,334
3. Oodiagiri	10,600	825	11,425
4. Atmakur	11,400	880	12,280
5. Rapurú	10,600	825	11,425

1. Ordered to be submitted for the consideration of Government, with the Board's recommendation that the estimates be sanctioned.

2. The Collector will report which of the various official buildings projected or sanctioned for his District should first be taken up.

* Abstract Estimates of the Cutcheries.
* 1 Tracing for out-houses.
