A

BILL

TO

Exempt *enfranchised* Village or other Service Inams, whether Revenue or Police, from the operation of Regulation VI of 1831.

Preamble.

Whereas in certain Districts of the Madras Presidency, the Inams attached to hereditary village or other offices in the Revenue and Police Departments, the claims connected with which are, under the provisions of Regulation VI of 1831, exclusively adjudicable by the Officers of Government in the Revenue Department, have been, under sanction of Government, enfranchised, and placed in the same position as other descriptions of landed property, in regard to their future succession and transmission, it is hereby enacted as follows:—

Regulation VI of 1831 not to apply to enfranchised Service Inams.

I. All hereditary Village or other Service Inams, falling hitherto exclusively under the cognizance of the Officers of Government in the Revenue Department, under the provisions of Regulation VI of 1831, which have been or shall be enfranchised by the Inam Commissioner, or other Officer acting under the sanction of Government, shall be exempt from the operation of the aforesaid Regulation.

Evidence of enfranchisement.

II. The Title Deed issued by the Inam Commissioner or other Officer duly authorized, or an authenticated extract from the Register of the said Commissioner or other Officer, shall be deemed sufficient proof of the enfranchisement of the land previously held on service tenure

Act not to have retrospective effect.

III. Provided that nothing in this Act shall be construed as authorizing any Court of Civil Judicature to call into question decisions which have been already passed by Revenue Officers acting under the provisions of Regulation VI of 1831.

No. 9. ORDER THEREON, 5th May 1865, No. 133.

Resolved, accordingly, that the foregoing Draft Bill be introduced into the Council of His Excellency the Governor at the next meeting for the purpose of making Laws and Regulations, and that the Honorable C. Pelly be requested to take charge of it.
