*Proceedings of the Madras Government, Public Works Department,
10th May 1865.*

No. 211.

Dated 10th May 1865, No. 1,270.

MISCELLANEOUS, No. 13.

1. The Government of India having reiterated their orders that no work shall be put in hand, nor appropriations made, unless on a sanctioned estimate,

and the Governor in Council having observed that much inconvenience, unnecessary delays and serious mistakes and irregularities, as well as an ultimate greatly increased expenditure have resulted from the informal commencement of works, His Excellency resolves to direct that no building, of any description, for whatever purpose required, shall hereafter be commenced, under any circumstances, before the plans and estimates in full detail have been submitted for approval, and have received the definitive sanction of Government in the Public Works Department.

2. His Excellency in Council further desires it to be distinctly understood that any violation of these orders will subject the Officer concerned to a mark of the severe displeasure of Government, and will render him personally responsible for any unauthorized expenditure that may be incurred.

3. All buildings now in progress that have been commenced without the specific orders of Government in each case, will at once be stopped till plans and estimates for them have been submitted to and sanctioned by Government.
