*Proceedings of the Madras Government, Revenue Department,
19th May 1865.*

No. 338. Read the following Proceedings of the Board of Revenue, dated 9th May 1865, No. 2,338.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Krishnapatnam, 23rd March 1865, No. 54 :—

SIR,

1. In their Proceedings dated the 3rd June 1864, No. 3,393, the Board, in declining to recommend for the sanction of Government the temporary establishment applied for in my letter of the 9th May 1864, No. 123, applied for sanction to continue the services of the twelve Sweepers employed at the Salt Cutcherries of this District up to 30th April 1864, at a cost of Rupees 138 per annum; and the Government sanctioned this amount in their Proceedings of the 17th June 1864, No. 1,048, Revenue Department.

2. The charge on account of the Sweepers was included in the Contingent bills of this District for 1863-64, and was passed by the Civil Paymaster up to the end of March 1864; the charge for April 1864, which was included in the Contingent bill for that month, was struck out by the Civil Paymaster for want of the authority of Government. The amount was again included in the Contingent bill for July, the Order of Government above alluded to being quoted in support of the charge. This again the Civil Paymaster struck out from the bill, observing, that the Government Order quoted did not apply to the Nellore District. And on its being again explained to the Civil Paymaster by letter, dated the 5th October 1864, No. 597, that the order did apply, the charge for April 1864, viz., Rupees 11-8-0, was duly passed for payment, which, together with the amount passed for the preceding eleven months, aggregates Rupees 138, the amount sanctioned in the Proceedings of Government above referred to.

3. Immediately on receipt of the Board's Proceedings, I directed* the Deputy Collector in charge of the Salt Department to discontinue the Sweepers, but the orders to the Divisions did not reach till late in June 1864, so that there still remains to be paid to the Sweepers a sum of Rupees 11-8-0 for May, and Rupees 9 for June 1864, total Rupees 20-8-0, and for the payment of this sum, I have the honor to request that the Board will be pleased to obtain the necessary sanction.

Ordered that the foregoing letter be submitted to Government, with the Board's recommendation that, under the circumstances stated by the Collector, the pay of the extra Sweepers employed in the Salt Divisions in May and June 1864, amounting to Rupees 20-8-0, be sanctioned. It appears from the Collector's letter that the services of these Sweepers were dispensed with in the end of June 1864, after the receipt of the Board's Proceedings, dated 3rd June 1864, in which they declined to recommend their employment for the sanction of Government.

No. 339. ORDER THEREON, 19th May 1865, No. 1,054.
