Proceedings of the Madras Government, Public Department,
16th May 1865.

No. 67. Read the following letter from F. L. MONCRIEFF, Esq., C. E., Store-keeper of Machinery, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Chepauk, 9th May 1865, No. 4.

Adverting to Proceedings of Government, Public Department, dated 11th February 1865, No. 171, I have the honor to forward the accompanying Indent, in duplicate, from the Superintendent

Enclosure.
1 Indent in duplicate.

Gun Carriage Manufactory, for a Steam Boiler, to couple with the Smithy Engine Boiler now in the Factory, and which was received from Messrs. Nasmythe and Co., in July 1857.

2. The Inspector General of Ordnance and Magazines having admitted the necessity for another Boiler for the use of the Smithy at the Manufactory, and there being none, of the description required, available in any Department of the Service, I beg to recommend that the Indent may receive the sanction of Government.

3. I beg to observe that the delay in the submission of the Indent does not rest with me. The Indent, although dated 10th April 1865, was not received until the 5th instant, when it had to be returned for signature of the Superintendent to the Certificate.

No. 68. ORDER THEREON, 16th May 1865, No. 510.

Resolved that the Indent received with the foregoing letter be transferred to the Military Department, and that the Store-keeper of Machinery be instructed to transmit, in future, all Indents from Military Departments to the Controller of Military Accounts, for submission to Government in the Military Department, and all other Indents through the Departments under which the indenting Officers are serving.

(True Extract).
