**Fiscal restrictions on trade between British India and
Travancore and Cochin.**

Notification regarding their removal, to be published in the Gazette.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following papers:—

From H. NEWILL, Esq., Officiating Resident of Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 11th May 1865, No. 42.

I have the honor to acknowledge the receipt of the proceedings of the Madras Government, dated 25th ultimo, No. 845, conveying the sanction of the Government of India, under date 8th idem, for the introduction of the arrangements for removing the fiscal restrictions on trade between British India and the States of Cochin and Travancore, and calling upon me to report, without delay, whether the Rajahs of Travancore and Cochin agree to the same as finally proposed by Government, in G.O., 16th February last, Revenue department, No. 339, and to forward a draft Notification of the arrangements for publication in the Fort St. George and District Gazettes.

2. In reply, I beg to inform the Government that the Rajahs of Cochin and Travancore have conveyed to me their consent to the arrangements as described in the Government proceedings of 16th February last, above alluded to.

3. I enclose, as directed, a draft Notification of the arrangements for publication.

4. A list is also forwarded of the ports of Cochin and Travancore, to be brought under the operation of section 12 of Act VI of 1863.

5. As already reported in my letter of 8th instant, the Travancore State has at once raised the selling price of salt, and Cochin is doing so. About 400 garces of black salt remaining in store in Travancore will, however, be sold at a reduced rate, and it is expected that this will be exhausted in about four months.

6. The Travancore Sirkar has also notified the reduction of the tobacco duty as follows:—

		RS.	RS.
Coimbatore	from ..	55 to	40 per candy.
Tinnevely	" ..	100 to	85 do.
Do. (Kalamany)	" ..	180 to	120 do.
Jaffna	" ..	140 to	120 do.

The effect of this reduction is calculated at a total annual decrease in the import duty of upwards of 1,20,000 rupees.

7. The arrangements for the remaining duties will be carried into operation in

* If these are received without delay, and a few days * on the receipt of the tariffs and list of ports requested in my letter of 8th instant, as there appears to be no necessity for these States to wait for the notification under section 12, Act VI of 1863, before abolishing or modifying their customs duties.

8. I would suggest that, under the sanction of the Government of India, conveyed in the proceedings of the Madras Government of 25th ultimo, a similar course may be adopted with regard to the duties now levied in British India on the trade with these States, or in case of there being difficulty, pending the issue of the notification regarding the ports, in arranging the Sea Customs duty, that at least the land frontier duties may be removed. The Sea Customs duty is not of so much importance at this moment, as the ports are about to be closed by the approach of the monsoon.

9. Legislative enactments will be required for the levy of the special duties. In Cochin the only special duty will be that on the export of pepper, at 15 rupees a candy. In paragraphs 40 and 41 of the proceedings of the Madras Government, dated 23rd April 1864, the Government do not appear to contemplate a special Act for

this article, but refer to it as coming under Act III of 1861. This, however, specially provides for the levy of the duty *at British Cochin only*, the duty being the same as that levied by the Cochin and Travancore States. It does not appear to me that the Act in question will convey the authority to the Cochin and Travancore States which will be required when these ports come under the operation of section 12, Act VI of 1863.

10. In Travancore the special duties requiring legal enactment are—

First.—The Travancore export duties as described in the notification, paragraph 8.

Second.—The Travancore import duty on tobacco at rates not exceeding those given in the notification, paragraph 15.

11. The recent alterations in the British India schedules of customs duties, alluded to in paragraph 2 of the orders under reply, require an adjustment to be made in respect to the 5 per cent. excise duties retained by the Cochin State on hill coffee in lieu of export duty. This is under reference to the Dewan, and needs no special provisions in the general arrangements. The remaining items of tea, wool, and jute will pay the newly fixed 3 per cent. duty, while all four articles will come under the general 5 per cent. duty in Travancore.

Memorandum from H. NEWILL, Esq., Officiating Resident of Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 11th May 1865, No. 43.

In forwarding copy of a notification in Malayalam and Tamil, of the reduction of the duties on different kinds of tobacco on importation into Travancore, the Resident has the honor to request that the same may be published in the *Fort St. George Gazette*.

ORDER—No. 1101, Revenue, dated 23rd May 1865.

Separate Revenue, No. 36.

Customs.

Ordered accordingly that the notifications received with the above letters be published in the *Fort St. George Gazette*, and that notice be given to all Collectors, through the

Board of Revenue, that from and after 1st June next, exports from, and imports to, the territories of the Travancore and Cochin Sirkars are to be treated in all respects as in the case of trade between ports of British India.

2. The Government do not see that any special legislation is necessary to allow of the Sirkars levying in their own territories the special duties which they have retained under the convention, nor indeed does it appear that any legislative body in British India is competent to legislate on such a matter.

3. The following telegram will be despatched to the Government of India:—

"See your Financial letter, No. 2001, dated 8th April 1865.

"Travancore and Cochin Sirkars accept our terms for admission to privileges of British ports.

"Please notify in Gazette their admission from 1st June 1865, under section 12, Act VI of 1863.

"Instruct Bombay Government to pass salt for Sirkars on same terms as for Canara and Malabar."
