SIR,

1. I have the honor to report, for the information of the Board, the sale, on the 27th instant, of Acres 724-4-35-1 of unassessed waste lands, situated in the Gumsur and Berhampore Talooks, for Rupees 7,119, thus giving an average of Rupees 9-13-3 per acre, as detailed in the annexed Statement. The prescribed deposits have been paid, and the documents, according to Forms C. or D., executed by the purchasers.

2. The Board will find that the lands in the Gumsur Talook have been sold cheaper in comparison with those in the Berhampore Talook.

3. I take the same opportunity to inform the Board that, as in the lots numbered 43 and 46 there are some Tamarind trees which have been rented out, and included in the Government plantations of the Gumsur Talook up to the close of Fuslies 1276 and 1275 respectively, these lots were sold subject to the conditions of respecting the above rent until the lease expires, and of paying on its expiration a permanent annual revenue calculated on the average receipts of the last five years.
