*Proceedings of the Madras Government, Revenue Department,
29th May 1865.*

No. 470. Read the following Proceedings of the Board of Revenue, dated 9th May 1865, No. 2,347.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 7th April 1865, No. 99 :—

SIR,

1. With reference to the Proceedings of the Madras Government, dated 8th February 1865, No. 248, in Revenue Department, Miscellaneous No. 144, I have the honor to forward two estimates for repairs to the Tamkum and its out-offices, framed by Captain G. M. Payne, Executive Engineer in charge of the Office of Superintending Engineer, 8th Division.

2. The first estimate is for simple repairs, which are urgent, amounting to 430 Rupees, which can be done out of the rent. Mr. Goldingham now owes Rupees 300 for six months' rent, which can be devoted to carrying out these repairs, which are absolutely required, and their execution should not involve the raising of the rent.

3. The second estimate amounts to 1,900 Rupees for building pukka stables, &c.; if this estimate is carried out, which I recommend it may be, the need of constant petty repairs will no longer be required, and the rent may be raised to 75 Rupees a month. If there is any difficulty about providing funds, I propose executing the work from the Madura Town Surplus Funds, provided the rent is carried to the Madura Town Fund, as proposed by the Accountant General in his letter, No. 2,733, dated 17th October 1864.

ENCLOSURES Nos. 1 to 4.—Estimates.

1. Ordered that the foregoing letter be submitted to Government, with reference to their Order, dated 8th February 1865. The Board see no objection to the repairs being executed to the Tamkum Bungalow, at an estimated cost of Rupees 430 out of the rent.

2. The Collector submits another estimate, amounting to Rupees 1,900, for building pukka stables, &c., and states that if this work be carried out, the rent may be raised to 75 Rupees. He proposes also that the expenditure should be met from the Madura Town Fund, in the event of the rent being allowed to be credited to that head as suggested by the Accountant General; but as the Board are not in possession of the letter from the Government of India, referred to by the Collector in his former letter, they are unable to express their opinion on the matter.

No. 471. ORDER THEREON, 29th May 1865, No. 1,121.

Miscellaneous.

1. Sanction for executing the repairs out of the rent has already been given in G. O. dated 8th February 1865, No. 248, Revenue Department. It appears from the Collector's letters, dated 12th September 1864 and 7th April 1865, that the following amounts are available :—

	RS.	A.	P.
Unexpended balance of rent realized up to July 1864.	1,123	5	3
Six months' rent due by Mr. Goldingham	300	0	0
	1,423	5	3
The expenditure now proposed is as follows :—			
For repairs	430	0	0
For improvements	1,900	0	0
	2,330	0	0

*Proceedings of the Madras Government, Revenue Department,
29th May 1865.*

- * The repairs include Rupees 120 for a thatched stable, which would probably be unnecessary if the proposed *pucka* stable be erected.
- 2. In the event of the improvements being made the Collector proposes to raise the rent from Rupees 50 to Rupees 75 a month.
- 3. These improvements include a *pucka* cow-shed, estimated to cost Rupees 720, which does not appear to Government to be an indispensable work.
- 4. They resolve accordingly to sanction the following expenditure out of the available accumulation of rent:—

	RS.	A.	P.
For repairs exclusive of stable	310	0	0
For a new <i>pucka</i> stable	1,180	0	0
	1,490	0	0

- 5. The whole amount is probably now in hand, but will certainly be so before the whole is required.
- 6. The rent will be raised to Rupees 75 monthly, as proposed by the Collector.
- 7. The Government do not consider the building to be one which can be made over to the Municipality, under the Order of the Government of India, dated 20th September 1864.

*Sir,
With reference to the accompanying
Extract from a letter from the Financial Secretary
to the Government of India to the address of the
Chief Secretary to the Government of Bombay, N^o 2497,
dated 20th September 1864, I have the honor to request,
that you will in communication with the Superintend-
ing Engineer, furnish me with a list of all buildings
belonging to Government in Towns in your District,
which are neither used, nor likely to be required for
Government purposes, and which it may be advisable
to transfer to the Municipal Funds of this Presidency.
You will be pleased to give at the same time the
present estimated value of such buildings.*

*"In reply to your letter dated the 2^d ultimo,
N^o 2511, I am directed to state that the Governor
General*

General in Council agrees with the Governor in Council of Bombay that buildings belonging to Government, in Provincial Towns, which are neither used nor likely to be required for Government purposes, from an appropriate element of Municipal Funds, because they are usually turned to better account by local administration for objects in which the inhabitants are interested, than if they were under Government management, as belonging to Imperial Revenue.

2 An arrangement to this effect already exists in the Provinces included in the Bengal Presidency, and the Governor General in Council authorizes its being extended to the Bombay and Madras Presidencies.

3 The Deputy Auditors and Accountants General at Bombay and Madras will be instructed to prepare from the Public Accounts and other sources of information, in communication with the Officers of the respective Governments, a list of all the buildings answering to the above description, which it may be advisable to transfer to the respective Municipalities shewing their present estimated value.
