*Proceedings of the Madras Government, Revenue Department,
29th May 1865.*

No. 482. Read the following Proceedings of the Board of Revenue, dated 21st April 1865.

Read Board's Proceedings No. 7,767, dated 3rd December 1864.

Read also the following from the Collector of the Kistna District, dated 22nd February 1865 :—

1. Ordered that the above papers be submitted for the consideration and Orders of Government.

2. It appears that Acres 282, Goontahs 16 of Inám land were taken up for channels and embankments in the Kistna District, between Fusly 1264 and Fusly 1272 ; but as the Inámdars concerned were, on survey of their lands, found to be in possession of 66 Acres and 37 Goontahs in excess of the quantity of land entered in their Title Deeds, this quantity of land has been deducted from that for which compensation is to be given, which is thus reduced to 215 Goontahs, 19 bearing an assessment of Rupees 243-7-6. The Collector has issued orders that Government waste land of the same extent and value should be given in exchange.

3. As regards compensation for the loss of produce in past years, no compensation is necessary in the case of Acres 8-7 of the above extent, bearing an assessment of Rupees 10-1-2, as the land had been waste for some years before it was taken up. For the remainder, Acres 207-12, bearing an assessment of Rupees 233-6-4, the compensation due is Rupees 1,050-10-5, of which, the Collector states, the Public Works Department have already paid Rupees 99-1-9, so that sanction is necessary for the payment of Rupees 951-8-8 only to the Inámdars concerned.

4. The Board doubt the propriety of the Collector's proceedings in deducting the whole of the excess land found in survey to be in possession of the Inámdars from the quantity of land for which compensation is to be given. The question therefore whether any additional compensation is to be given for this excess land will be considered an open one, and the Collector will report how previous similar cases have been disposed of. This need not, however, delay the disposal of the Collector's present proposals.

5. Besides the above extent of land, Acres 158, Goontahs 16 of Seri land have been appropriated in Zemindary villages belonging to the Estates of Nuzzid and Vulloor. Of this extent.

Acres. Goontahs.

35 39 were waste ;

122 17 were dry and Garden land. Compensation for the dry land has been calculated at the rates adopted for the lands formerly reported on, and for which compensation was sanctioned by Government in Government Orders No. 521, dated 4th April 1860, and No. 2,061, dated 22nd September 1862. For the Acres 5-4 of garden land which were taken from the Vulloor Zemindar the assessment was fixed at Rupees 5-12-7 per Acre, being the average of the prevailing garden rates in the neighbouring Government Talooks.

6. The amount to be annually deducted from Fusly 1274, from the Peishcush of the proprietors of these two Estates, and the total compensation payable to them for the loss of produce in past years are as follows :—

	Annual remission from the Peishcush.	Number of years for which compensation is due.	Total compensation for past years.

*Proceedings of the Madras Government, Revenue Department,
29th May 1865.*

7. The Collector states in paragraph 8 of his letter contained in the Board's Proceedings above recorded, that the remission of Peishcush, amounting to Rupees 1,543-13-7, sanctioned in Government Order No. 2,061, dated 22nd September 1862,

Nuzzid	...	...	1,047	14	11

on account of the Zemindaries noted in the margin,* took effect from Fusly 1272 instead of from Fusly 1271. No compensation has therefore yet been paid for the latter year, as it was not included in the past years for which compensation in arrears was granted; under these circum-

stances the Board recommend that the Collector be authorized to make the payments shewn in the margin of this paragraph.

8. The Board approve of all the arrangements reported in the Collector's letter, and recommend that they be sanctioned.

9. The remission of Peishcush proposed amounts in the aggregate to Rupees 213-12-6, as shewn in paragraph 5 above, and should take effect from Fusly 1274.

10. The compensation for loss of produce in past years amounts in the aggregate to Rupees 3,664-3-1, viz. :—

	RS.	A.	P.
To the Inamdars referred to in paragraph 3 above	951	8	8
To the Zemindars referred to in paragraph 5 above	1,168	12	10
	2,120	5	6
On account of the lands included in Collector's last report and referred to in paragraph 6 above	1,543	13	7
	3,664	3	1

11. The Board observe that, to meet the above charge, there is a sum of Rupees 3,694 available for the Kistna District until the 30th instant, out of the additional Budget grant of Rupees 2,53,121, referred to in Government Order No. 392, Public Works Department, dated 10th February 1865. The Collector will therefore be instructed by telegraph, in anticipation of the sanction of Government now applied for, to make the necessary arrangements for disbursing the compensation above recommended without delay.

12. Resolved accordingly, that the following telegram be despatched :—

“ Disburse at once the compensation proposed in your letter No. 22 of 22nd February, from the provision alluded to.”

No. 483. ORDER THEREON, 29th May 1865, No. 1,126.

Miscellaneous.

1. Orders will be passed in the Public Works Department regarding the payment of compensation amounting to Rupees 3,664-3-1, with reference to the Proceedings in that Department, dated 10th February 1865, No. 392.

2. Sanction is granted for the reduction of the annual Peishcush of the proprietors of Nuzzed and Vulloor by Rupees 82-15-5 and Rupees 130-13-1 respectively.

No. 7,767.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 3rd December 1864.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 19th October 1864, No. 234 :—

1. I have the honor to submit my report on the Inam lands and Seri lands in Zemindary villages taken up for Public Works, exclusive of those already settled, together with four Statements showing the particulars.

2. It will be seen from Statements Nos. 1, 2, and 3, that Acres 282 and G. 16, belonging to 246 Inamdars, have been occupied by channels, embankments, &c., in 77 villages appertaining to Bapatla, Repalli, Bandar, Bezvada, Gudivada, and Guntur Taluks, and to the Nuzid Zemindary. Statement No. 4 shows that Acres 153 and G. 16 of Seri land have been taken up in Zemindary villages. All these lands were taken up between Fasli 1264 and Fasli 1272; but the survey was not completed till after the transmission of my last report on the subject, dated 23rd December 1861, the works for which the lands were taken up not having been completed in the same year in which they were begun, and the small survey establishment attached to my office having been engaged, for the greater part of every year, in measuring the Teerwahjasty lands in Zemindary villages.

3. The subjoined Statement will show the particulars of the Inams taken up; the portion now under enjoyment; and the lands given to the Inamdars in compensation :—

Inam lands.	Entire area as per Title Deeds granted by the Inam Commissioner, or as entered in the Revenue accounts.	AREA AS PER PRESENT SURVEY.			Deduct excess found by survey from column 4.	REMAINING LAND GIVEN IN EXCHANGE.

Total	4,849 2	4,631 35	282 16	4,914 11	66 37	215 19	243 7 6

4. The rate of assessment for such Inams as had been inquired into by the Inam Commissioner, is fixed according to the standard determined by him; and for the Service Inams, the assessment is fixed at the rates entered in the accounts.

5. Orders have been issued for giving Acres 215 and G. 19 of waste land in Government villages, bearing an assessment of Rupees 243-7-6. No compensation for the loss of produce, in past years, is necessary for Acres 8-7 of the above extent, bearing assessment at Rupees 10-1-2, the lands having been waste for some years before they were taken up.

6. For the remaining Acres 207-12 of lands bearing an assessment of Rupees 233 6-4, the compensation due is Rupees 1,050-10-5, as particularized in the accompanying Statements Nos. 2 and 3. Of this sum, the Public Works Department have already paid Rupees 99-1-9. Sanction is, therefore, solicited for the remaining sum of Rupees 951-8-8 for payment to the different Inamdars.

7. Statement No. 4 shows that Acres 158-16 of dry and garden lands, (inclusive of Acres 35-39 of waste land in 13 villages,) belonging to the Nuzid and Vullur Zemindars, were taken up for channels, &c. Compensation for the dry lands has been calculated at the rates sanctioned in the orders of Government noted in the margin. Only Acres 5-4 of garden land, belonging to the Vullur Zemindar, has been occupied, the assessment of which has been fixed at the average* of the prevailing garden rates in the neighbour-

ing Government Taluks. Thus the total amount of compensation to be paid to the Zemindars of Nuzid and Vullur is Rupees 253-1-3, and Rupees 915-11-7 respectively up to Fasli 1273.

From the current Fasli, the amount to be deducted from the Peshkush of the said two Zemindars, is noted in the margin. I request the Board's sanction for the same.

8. In my last report, dated 23rd December 1861, sanction was requested for making an abatement of Rupees 1,543-13-7 in the annual Peshkush of the Zemindary Estates from Fasli 1271 on account of the lands which had been taken up before that time, and for paying compensation up to Fasli 1270. Agreeably to the orders of Government above quoted, the reduction of Peshkush was allowed from Fasli 1272 only, and compensation was paid up to Fasli 1270.

For Fasli 1271 no compensation was paid to the Zemindars. I have, therefore, to request that you will obtain the sanction of Government to pay Rupees 1,543-13-7 on that account, to the Zemindars noted in the margin.

ENCLOSURE No. 1.

ABSTRACT.—Statement showing the extent of land fallen under Anicut channels, &c., of Aggraharums and Inams held under the title deeds granted by the Inam Commissioner, as well as the extent of land to be granted in lieu thereof in the Kistna District.

ENCLOSURE No. 2.

ABSTRACT.—Statement showing the extent of land ordered to be given in exchange for the Inam lands (for which title deeds were issued by the Inam Commissioner,) taken up for Anicut channels in the Aggraharum Mokhasa, &c., villages, and the amount of compensation due up to Fasli 1272, on account of the same, as per Statement No. 1.

ENCLOSURE No. 3.

ABSTRACT.—Statement showing the lands ordered to be given in lieu of the Inams taken up for Anicut channels, &c., (for which title deeds were not granted by the Inam Commissioner, and no inquiry was made by him,) as well as the sist, and the amount of compensation to be given on that account, in the Kistna District.

ENCLOSURE No. 4.

ABSTRACT.—Statement showing the extent of Seri land fallen under the Anicut channels in the Zemindary Estates, as well as the assessment thereon, and the amount of compensation to be paid in the Kistna District.

1. Ordered that the Statements received with the foregoing letter be returned to the Collector for revision.

2. The Board observe that it is not clear how the results shown in column 13 of Statement No. 1 have been obtained.

3. According to the heading of that column, the entry in case 1 of the Bapatla Taluk would appear to be correct, but not the entries 2 and 3 of the other Taluks, which ought apparently to have been Acres 17, Goontahs 22, and Acre 1, Goontahs 19 respectively, instead of Acres 4, Goontas 31, and Acre 0, Goontahs 23.

4. The other Statements, as well as the figures in the Collector's letter, will require to be revised, should the alterations shown above be correct.

Sir, With reference to the Proceedings of the Board dated 3rd December last N^o 7767, I have the honor to report that the figures entered in Column 13 of the Statement N^o 1 referred to, have been obtained as follows. When the land in actual occupation is more than the area entered in the Inam Commissioner's Title deed, this excess is deducted from the extent of land occupied by channel and for the remaining loss only (if any) land in substitute is given and compensation calculated.

2. As the figures entered in the Statement are correct, I beg leave to return the Statements, and request that the Board will sanction the disbursement of the compensation money.
