*Proceedings of the Madras Government, Revenue Department,
29th May 1865.*

No. 498. Read the following Proceedings of the Board of Revenue, dated 10th May 1865, No. 2,384.

Read the following letter from G. BANBURY, Esq., Acting Collector of Tinnevely, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Palamcottah, 19th April 1865, No. 173:—

SIR,

1. With reference to the Board's letter, dated 13th January last, No. 204, I have the honor to state that ten Bengal Maunds of the best Tinnevely Cotton with the seed uncleaned were shipped in the "Emily," which left Tuticorin for Madras on the morning of the 17th instant, with treasure, but owing to bad weather she has put back to Paumben, and will proceed northwards when a fair change takes place.
2. Bourbon Cotton is not grown in this District.
3. I was glad to avail myself of the "Emily's" trip to Madras with treasure, as the coasting Steamers' charges for freight are something serious.

1. Ordered that the Country Cotton alluded to in the foregoing letter, and which has been received through the Master Attendant, be forwarded to Government with reference to paragraph 2 of Government Order, dated 22nd December 1864, No. 2,308.

2. The Collector reports that Bourbon Cotton is not grown in his District.

3. The Board presume that the Collector was acting under instructions from the Accountant General in forwarding treasure by the "Emily."

No. 499.

ORDER THEREON, 29th May 1865, No. 1,134.

Miscellaneous.

Ordered that the five Bags of Cotton received with these Proceedings be immediately forwarded to the Master Attendant, who will arrange for their transmission to the Secretary of State per Ship "Mary Shepherd." He will without delay report to Government the fact of his having done so, and will forward the usual Bill of Lading.
