*Proceedings of the Madras Government, Revenue Department,
1st June 1865.*

No. 18. Read the following letter from the Superintendent Government Chinchona Plantations, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 27th May 1865, No. 13:—

SIR,

1. With reference to the Order of Government No. 545, dated 2nd April 1864, I have the honor to inform you that Mr. Frend, the purchaser of the firewood on the 2nd Dodabetta Chinchona Plantation, has been unable to remove the whole of the same within the specified period, in consequence of his bullocks having died by the cattle disease prevailing on the hills during last spring, he has therefore solicited the favor of being allowed an extension of six months in order to effect the removal of the remaining timber.

2. I would respectfully recommend that this request be granted subject to the approval of the Conservator of Forests, and on the condition that no carts enter the plantation from the road on the eastern side, as this portion is already planted, and the cattle stray and injure the plants; the wood must therefore be removed from the western Sholahs only, the carts entering and returning by the road on the northern side.

No. 19. ORDER THEREON, 1st June 1865, No. 1,173.

Forests, No. 2.

Forwarded to the Conservator of Forests for his opinion.
