*Proceedings of the Madras Government, Revenue Department,
1st June 1865.*

No. 20. Read the following Proceedings of the Board of Revenue, dated 19th May 1865, No. 2,615.

Read Demand, Collection and Balance Statements for Fusly 1273, received from the Accountant General, dated — April 1865 :—

1. Resolved that the foregoing Statements be submitted to Government, with reference to their Order, dated 30th September 1863, No. 1,789.

2. The Board observe that the entries in these Statements agree with those in the accounts of their office, except in two respects, as pointed out by the Accountant General in the foot note to one of his Statements. The difference of Rupees 620 in the Land Revenue, Demand, and Collections in the Trichinopoly District, arises from the receipts from Fisheries in June 1864 having been credited to Land Revenue in the accounts of the Collector, while, in the Accountant General's Office, they were credited to Local Funds, with reference to the Board's Circular, dated 4th April 1864.

3. As to the petty difference of Rupees 4 in South Canara, also remarked upon by the Accountant General, the Board observe that it is owing to the omission of fractions of Rupees in the preparation of the General Returns in this office.

No. 21. ORDER THEREON, 1st June 1865, No. 1,174.

Miscellaneous.

1. The Government are glad to see that the two sets of Accounts have been brought into such close agreement.

2. The Statement will be transmitted to the Home Government.
