No. 24. Read the following Proceedings of the Board of Revenue, dated 29th May 1865 :—

Read the following letter from Lieutenant-Colonel T. THOMPSON, Agent for Remounts, to the Secretary to the Board of Revenue, Fort Saint George, dated Madras, 22nd May 1865, No. 26.

SIR,

1. I have the honor to request you will be so good as to obtain from the Arsenal of Fort Saint George a "Forge Portable with Tools" and "Anvil weighing 74lbs." to be attached to the Steam Plough Establishment.

2. Accidental breakages of a minor nature must be anticipated in the working of the plough, and the moving it back and forward from the fields to the forge, would be a work of time and labor, which will be obviated by a portable forge that will be always on the ground.

3. I have also to request that the "Forge Portable with Tools" may be mounted on a platform, on wheels, and with shafts, that the forge can be moved along with the plough by horse draught.

Submitted to Government, with the Board's request that the necessary order may be issued in the Military Department.

No. 25. ORDER THEREON, 1st June 1865, No. 1,176.

Miscellaneous.

1. Sanctioned.

2. The necessary order will be issued in the Military Department.
