*Proceedings of the Madras Government, Revenue Department,
2nd June 1865.*

No. 49. Read the following Proceedings of the Board of Revenue, dated 19th May 1865, No. 2,639.

Read the following letters:—

From J. SILVER, Esq., Collector of Tinnevely, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 4th January 1865, No. 3.

SIR,

With reference to the Proceedings of the Board of Revenue, dated the 14th January 1863, No. 200, I have the honor to forward a plan and revised estimate of Rupees 3,000, prepared at my request by the Superintending Engineer for re-constructing portions of the Chuttrum at Pandavacolam on Road No. 4, and I request that you will be good enough to obtain the early sanction of the Board for executing the work out of the general surplus fund in favor of the Chuttrums in this District, amounting, on the 30th November last, to Rupees 6,283-12-2.

From the same Officer, dated 14th January 1865, No. 30.

1. In reply to your Telegram of the 10th instant, I have the honor to refer to the Proceedings of the Board of Revenue, dated 8th May 1851, and to Extract from the Minutes of Consultation, under date the 24th June 1851, No. 621, Revenue Department, in which the origin of the Chuttrum fund is so fully set forth, that I deem it unnecessary to recapitulate the same here.

2. The sum of Rupees 6,283-12-2, referred to in my letter of the 4th instant, No. 3, is the accumulated amount of Swamibhogam on lands that formerly belonged to Chuttrums, and which were afterwards ordered to be incorporated with Government lands—*vide* sanction of Government, dated 24th June 1851.

1. Ordered that the foregoing communications be submitted to Government, with the Board's recommendation that the plan and revised estimate, amounting to Rupees 3,000, forwarded by the Collector of Tinnevely for re-constructing portions of the Chuttrum at Pandavacolam on Road No. 4 in his District, be sanctioned.

2. The Board propose that the charge should be met, as suggested by the Collector, out of the general surplus at credit of the Chuttrum fund, which was founded in Tinnevely by Ethbarkhan, by endowments of land obtained from the Nabob of the Carnatic, as reported to Government in the Board's Proceedings, No. 952, dated 8th May 1851. This surplus amounted, on the 30th November 1864, to Rupees 6,283-12-2, being the accumulated amount of Swamibhogam received on account of the Chuttrum lands, which were, in accordance with the instructions contained in paragraph 5 of the Extract from the Minutes of Consultation, No. 621, dated 24th June 1851, Revenue Department, resumed and incorporated with the Government lands.

3. The Collector appears to have applied for the first time, on the 3rd April 1861, for sanction for the repair of the Chuttrum at Pandavacolam above referred to, but certain references,* which had to be made subsequently to the

Collector, caused the delay which has taken place in submitting the matter to Government.

No. 50. ORDER THEREON, 2nd June 1865, No. 1,189.

Local Funds.

1. Sanctioned as proposed.
2. The Board will, however, consider whether the right to receive this Swamibogum may not with advantage be sold to the occupants of the land if, as appears to be the case, there is an existing annual payment which is credited to this Chuttrum fund.

*Proceedings of the Madras Government, Revenue Department,
2nd June 1865.*

3. The sale proceeds would be credited to the Chuttrum fund. The rate of redemption would be twenty-five years' purchase of the annual payment.
