Proceedings of the Madras Government, Revenue Department,
3rd June 1865.

No. 78. Read the following Proceedings of the Board of Revenue, dated 20th May 1865, No. 2,665.

Read the following letter from W. M. CADELL, Esq., Collector of South Canara, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 4th May 1865, No. 62 :—

SIR,

1. Government in their Order, dated the 16th June 1860, No. 1,002, sanctioned the disbursement of Rupees 4,262-0-11, as compensation for lands taken up for public purposes in the whole District of Canara. Of this, the amount

of Rs. 1,036-8-8 was payable in South Canara,
and Rupees 3,225-8-3* in North Canara.

2. The disbursement of the first mentioned amount was completed in South Canara without delay, and the other portion being payable by the Collector of North Canara, a detailed Statement was furnished to that Officer on the 27th June 1860, to enable him to make the necessary disbursements.

3. When the Talook of Kundapur was restored to South Canara in 1862, it was taken for granted that the necessary disbursements had been made, but from certain inquiries which have lately been instituted in this District, with the view of submitting to the Board a further account of land appropriated for Government purposes, it has been discovered that the old claims sanctioned for payment in the Kundapur Talook have not been discharged.

4. The Collector of North Canara, the Executive Engineer, and the Tahsildar of Kundapur have all been addressed on the subject, and from their replies, and a careful search of the old accounts in this office, there seems to be no doubt that the money has never been paid.

5. Being now in doubt as to whether I may, or may not, act upon the old sanction, which was allotted before the present Budget system came into existence, I have thought it necessary to refer the matter for the orders of the Board. The amount payable is Rupees 303-10-3, and as the charge will be properly debitable against the Public Works Department, I beg that sanction may be procured for the admission of the claim in the present year.

6. An extract of the Statement originally passed, and referring to the Kundapur Talook, is herewith forwarded for the information of the Board.
