*Proceedings of the Madras Government, Revenue Department,
3rd June 1865.*

No. 82. Read the following letter from R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, dated Madras, 1st June 1865:—

SIR,

1. With reference to the Order of Government, dated 28th April 1865, No. 884, I am directed by the Board of Revenue to report that they see nothing to object to in the rates of salary proposed to be given to Medical Officers at Civil Stations. They quite concur in the remarks made by the Principal Inspector General in paragraph 6 of his letter, dated 20th January 1865, No. 15, as to the importance of the duties which now devolve upon these officers, and they cannot therefore agree with him in considering that such appointments might, at any time, be held by persons who were merely graduates of the local Universities.

2. If a sufficient number of European Medical Officers were available for the purpose, the Board are of opinion that, independent of the Zillah Surgeon, one Officer might, with advantage, be attached to every Collectorate, and that ample occupation of a most useful character might be found for him in every District.

No. 83. ORDER THEREON, 3rd June 1865, No. 1,205.

Miscellaneous.

Ordered to be communicated to the Military Department, with reference to the Proceedings in that Department, dated 24th April 1865, No. 1,498.
(True Extract.)

Acting Under Secretary to Government.
