*Proceedings of the Madras Government, Revenue Department,
7th June 1865.*

No. 125. Read the following Proceedings of the Board of Revenue, dated 31st October 1864, No. 7,134 :—

The provision in the Budget Estimate of 1864-65 on account of village establishments having been transferred by the Government of India to the head of "Debt Account," in consequence of its having been decided to form the village fees and cesses into a Local fund, the Board in their letter dated 20th June 1864, No. 3,797, pointed out to Government that until the introduction of a regular Fee system and the enfranchisement of service Ináms which it will take some time to bring into operation, the Resolution of the Government of India cannot be carried into effect except in the case of Kurnool, where a system of enfranchisement has already been introduced. A special grant of Rupees 3,67,465 to meet the payment of the Establishments during the current year was therefore applied for, and the Government were pleased to authorize the payment of this sum as an advance pending the receipt of the orders of the Government of India on the subject. The Budget Estimate for 1865-66 being now under preparation, and no distinct orders having been yet communicated, the Board wish to be informed whether the cash payments to the village officers should be entered in it under the head of "BIII. Allowances to District and Village Officers," or whether it is the intention of Government to adopt the suggestion made in paragraph 4 of the Board's Proceedings above referred to, in which case no provision will be necessary.
