Proceedings of the Madras Government, Public Works Department,
27th May 1865.

No. 533. Read the following letter from Captain A. S. MOBERLY, R. E.,
Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Bellary, 19th
May 1865, No. 18 :—

SIR,

1. I have the honor herewith to forward, for the consideration of Government,
two estimates, amounting together to Rupees 853, one for putting up new blinds and
a punkah to the Collector's Cutcherry verandah and his Head Assistant's room, and
the other for fixing wooden gratings in the Taluq Cutcherry at Bellary.

2. The Collector states that the present blinds were put up when his Cutcherry
was built, and that they are now worn out entirely; and for the want of a punkah
in his Head Assistant's room much inconvenience is experienced.

3. Mr. Hathaway also brings to notice the unsafe state in which the Office
Records of the Tahsildar of Bellary Taluq are left for the want of a wooden enclosure
in a part of the western hall in the Taluq Cutcherry, and, under these circumstances,
I have the honor to request that the amount may be sanctioned from the Reserve
Fund.

No. 534.

ORDER THEREON, 27th May 1865, No. 1,430.

CIVIL WORKS, No. 78.

1. Referred to the Revenue Department for
consideration.

2. Under paragraph 36, Chapter IX. of the
Public Works Code, the expense proposed to be incurred on account of the punkah
required for the Head Assistant Collector's Cutcherry at Bellary should be included
among the contingent charges of the Revenue Department.

It appears to me that an outlay of \$434 plus a share of 47 Mr. Chance for sundries is a serious sum to lay out on 'Blunders' for the purpose of a public Catechism. If the town our office is protected by them from the plane, I see no reason why more than that should be allowed. I would ask how it is that so large a sum is estimated for.
