*Proceedings of the Madras Government, Public Works Department,
26th April 1865.*

No. 440. Read the following letter from Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secre-
tary to Government, Public Works Department, dated Madras, 19th April
1865, No. 6,418 :—

SIR,

- 1 Tracing.
- 2 Surveys.
- 1 Abstract estimate.
- 1 Specification.
- 1 Copies of a correspondence.
- 1 Board's Proceedings, No. 960, dated 17th February 1865.

1. With reference to the Proceed-
ings of Government, No. 2,827, dated
30th September 1863, I have the honor
to forward for sanction the accompanying
documents, which provide for the con-

struction of a road twelve miles in length from the Salt Cotaurs at Kalambakum to
Vendalure, on Trunk Road No. 8, at a cost of Rupees 25,100. The direction of the
road as regards the neighbouring country is shown in the tracing.

2. The Board of Revenue and the Collector of Madras have accorded their
approval to the construction of the line in question, and provision has been made for
it in their Salt Budget.

3. Permission is requested for the execution of the work in 1865-66 should
Government be able to grant funds for the same.

No. 441. ORDER THEREON, 26th April 1865, No. 1,108.

CIVIL WORKS, No. 73.

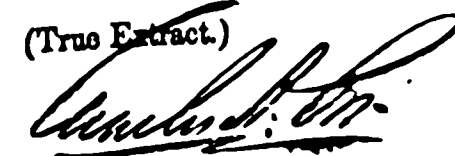

1. The Government approve of the
estimate of Rupees 25,100 for a road
from the Salt Cotaurs at Kalambakum to
Vendalure, on Trunk Road No. 8.

2. It appears from the Board's Proceedings, No. 960, dated 17th February
1865, that the project was included in the "Budget of works required by the Salt
Department" then about to be submitted to Government. This Budget has never
been received. It is important that it should invariably be laid before Government
in time to admit of the requirements of works which may be included therein being
considered when the general Budget is under preparation. The project in question
should be brought forward for the Budget of the year 1866-67, as under the recent
ruling of the Secretary of State it cannot

* Estimate being above Rupees 10,000.

be commenced next year without the
approval of the Government of India.
